APPOINTMENTS MADE BY THE BOARD OF HEALTH:

Plumbing & Gas Inspector: Peter P. Salvatore
John J. Moriarty, Alternate

Public Health Nurse: Patricia Osip

Animal Inspector: Marilyn Koehler

Death Certificate Agent: Joanna P. Devine

REPORT OF THE FINANCE COMMITTEE

To The Moderator and the Citizens of Hadley:

Thanks to the tremendous efforts of town departments, operating with minimal funding, Hadley has made it through another fiscal year. It is our approach that operating budgets must be funded by the revenues generated from taxation, state aid and local receipts. It is not sound financial practice to utilize so called "free cash" to fund operating budgets. This causes the operating base to increase beyond the town's capacity to raise taxes. Hadley still has the lowest tax rate in Hampshire County and one of the lowest in the state. Our challenge however, is to create a larger tax base from which to increase revenues. State aid is leveling off because of the budget crunch. Proposition 2-1/2 is still a nemesis to us, since Hadley had very little fat in its budget at the time 2-1/2 was instituted.

Challenges abound as we prepare the fiscal 1990 budget. Some hard choices will have to be made during the upcoming process, however we feel it is appropriate to say that the Town of Hadley has been underfunding budgets for a number of years. It is important that the citizens of the Town of Hadley be aware that many capital improvements need to be made on our public buildings, such as new roofs, painting, parking lots and general refurbishing. Consideration must also be given to future construction of a public safety complex and a middle school. If services are to be maintained at the level to which the citizenry has become accustomed, new or increased revenue sources will be required.

Respectfully submitted,

A. Edwin Putnam, Chairman
Helen Kapinos, Vice Chairman
Norman E. Brown, Secretary
Michael L. Pequignot
Linda J. Sanderson

HADLEY TOWN WARRANT

Hampshire ss.

To the Constables of the Town of Hadley, in the County of Hampshire

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said Town qualified to vote in elections and in Town affairs to meet in the Hopkins Academy Cafetorium at 10:30 in the forenoon on the eleventh day of April, 1989 then and there to take action under Article 1, polls to be kept open 10:30 to 8:00 p.m., and to meet on Thursday, the fourth day of May, 1989, at 7:00 p.m. in the Hopkins Academy Cafetorium to act on all other articles:

Article 1.

To elect all necessary officers of the Town.

Moderator	One Year
Board of Selectmen Member	Three Years
Town Clerk	Three Years
One Assessor	Three Years
Town Treasurer	Three Years
Board of Health Member	Three Years
Planning Board Member	Five Years
School Committee Member	Three Years
Elector Under the Oliver Smith Will	One Year
Two Library Trustees	Three Years
Two Constables	One Year
Sewer Board Commissioner	Three Years
Park Commissioner	Three Years
Hampshire County Commissioner	Two Years

and to bring in their votes yes or no on the following questions:

Question 1.

"Shall this town continue to be a member of the Pioneer Valley Regional Transit Authority? Yes No"

Question 2.

"Shall the Town of Hadley be allowed to assess an additional \$250,000, in real estate and personal property taxes for the purpose of providing an adequate and appropriate level of municipal and educational services to the inhabitants of the Town

of Hadley for the fiscal year beginning July first, nineteen hundred and eighty nine?

Yes No

Article 2.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Board of Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1989, in accordance with the provisions of General Laws, Chapter 44, section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, section 17, or take any other action relative thereto.

Article 3.

To see if the Town will vote to authorize the Board of Selectmen to sell and convey by proper deeds in the name of the Town any land owned by or in the control of the Town or take any other action relative thereto.

Article 4.

Amended
To see if the Town will vote to raise and appropriate such sums of money as shall be necessary to defray the current expenses and charges of the financial year, including debt and interest, and to fix the salary and compensation of all elected officials of the Town as provided for by Chapter 41, section 108 of the General Laws as amended, including, if appropriate: Moderator, Selectmen, Town Clerk, Town Collector, Town Treasurer, Assessors, Town Constables, Board of Health, Elector under the Oliver Smith Will, Sewer Commission, Planning Board, and Park Commission, and to provide for a reserve fund for the current financial year or take any other action relative thereto.

Article 5.

To see if the Town will vote to authorize the Board of Selectmen to apply for Massachusetts Small Cities Program grants or monies, or any other Federal or State grants or monies, and to expend any monies received as set forth in the appropriate application or take any other action relative thereto.

Article 6.

To see if the Town will vote to have the following question placed upon the official ballot for the 1990 Annual Town Election:

"Shall this town continue to be a member of the Pioneer Valley Regional Transit Authority?"

Article 7.

To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to reimburse the Commonwealth of Massachusetts for the Town's share of a pension or retirement allowance paid to a widow of a veteran by the Commonwealth of Massachusetts for the fiscal year commencing on July 1, 1989, as required by and computed under the provisions of Chapter 32, section 59A of the General Laws or take any other action relative thereto.

(Recommended)

Article 8.

To see if the Town will vote to amend the Zoning Bylaws and Map incorporated therein of the Town of Hadley by rezoning certain land situated on the northerly side of Russell Street (also known as State Route 9) between North Maple Street and State Route 116 that is not presently in an Industrial District to be within an Industrial District, or take any other action relative thereto; said land consisting of two parcels containing 77.81 acres, more or less, and being more particularly bounded and described as follows:

Parcel 1:

A tract of land with the buildings thereon in Hadley on the easterly side of North Maple Street bounded and described as follows:

Commencing on the easterly side of North Maple Street at an iron pin located in the Southwesterly corner of said tract and thence N. 04 degrees 38' 31" E. 497.17 feet on North Maple Street to a bound point; thence along North Maple Street N. 05 degrees 58' 40" E. 684.73 feet to an iron pin; thence N. 83 degrees 10' 52" E., 202.93 feet to an iron pin; thence N. 82 degrees 58' 01" E. 1467.26 feet along land now or formerly of Helen Doskotz and Walter R. Babb to an iron pin; thence S. 05 degrees 57' 10" W., 886.56 feet to a granite bound, which is also the westerly bound of the Massachusetts Route 116; thence a distance of 689.24 feet to an iron pin; thence S. 83 degrees 03' 40" W. 353.56 feet to a point; thence N. 04 degrees 26' 10" E. 391.77 feet to a point; thence S. 83 degrees 06' 38" W., 1323.78 feet to a place on beginning and containing 47.202 acres, more or less. The last three above courses are along land now or formerly of Louise F. Paradysz, Jr. and John F. Cycz.

For further reference see Plan of Land in Hadley, Mass. belonging to the Estate of Homer M. Greene, Hampshire County Registry of Deeds, Plan Book 138, page 2.

Excepting that portion conveyed to Milton D. Morin and Ellen A. Morin by Deed dated November 30, 1987 and recorded in Hampshire

County Registry of Deeds in Book 3100, Page 345. For further reference, see "Plan of Land in Hadley, Massachusetts prepared for Westmass Development Corporation" recorded in Hampshire County Registry of Deeds Plan Book 151, Page 7.

Parcel 2:

A certain tract or parcel of land situated off Russell Street, also called Route 9, in Hadley, Hampshire County, Massachusetts, bounded and described as follows:

Beginning at the Southwesterly corner of the tract on said Russell Street, at a point between this land and land of Butler and Ullman; thence running in a Northeasterly direction along said Russell Street two thousand two hundred and twenty-six (2,226) feet, plus or minus, to land now or formerly of one Stanne; thence turning and running Northerly along land of said Stanne five hundred and forty-eight (548) feet, plus or minus, to land now or formerly of one Greene; thence turning and running Westerly along land of said Greene one thousand three hundred and fifty-one (1,351) feet, plus or minus, to a corner; thence turning and running in a Northeasterly direction along land of said Greene four hundred and twenty-seven (427) feet to a point; thence turning and running Westerly still along land of said Greene one thousand one hundred and twenty-four and six tenths (1,124.6) feet, plus or minus, to a point which is two hundred ninety-seven and four tenths (297.4) feet Easterly on North Maple Street; thence turning and running Southwesterly two hundred ninety-eight (298) feet to a point; thence turning and running Northwesterly three hundred one (301) feet to said North Maple Street; thence running Southwesterly along said North Maple Street four hundred twenty six (426) feet to land of one Bak; thence turning and running in a Southeasterly direction one hundred and fifty (150) feet along land of said Bak; thence turning and running in a Southwesterly direction one hundred and thirty-five (135) feet along land of said Bak; thence turning and running in a Northwesterly one hundred and fifty (150) feet along land of said Bak; thence Southwesterly along said North Maple Street forty (40) feet to land of one Vanasse; thence Southeasterly along land of said Vanasse one hundred and fifty (150) feet; thence turning and running Southwesterly along land of said Vanasse one hundred and thirty-five (135) feet, plus or minus, to land of one Montgomery; thence Southeasterly along said Montgomery's land a distance of three hundred thirty-seven and five tenths (337.5) feet, plus or minus,; thence turning and running still along said Montgomery's land in a Southwesterly direction two hundred forty-five (245) feet, plus or minus, to land of Butler and Ullman; thence turning and running Southeasterly along said land of Butler and Ullman one hundred forty-three (143) plus or minus feet; thence in a Southerly direction still along said land of Butler and Ullman seven hundred nineteen (719) plus or minus feet to the point of beginning.

Excepting from the above described tracts, the land described in the taking by the Commonwealth of Massachusetts, recorded with said Registry in Book 1288, Page 234 and Book 1270, Page 440 and the 8.7 acre parcel on the Northeast side of relocated Route 116 which was sold to one Bak in the year 1970 and which deed was recorded with the Hampshire County Registry of Deeds. Being the same tract or parcels of land conveyed to Louis F. Paradysz and Sophie P. Paradysz, husband and wife, respectively, to hold their interest as tenants by the Entirety, by deed of Robert L. Harrigan, dated July 3, 1954 and recorded in Hampshire County Registry of Deeds in Book 1172, Page 249. Excepting also that portion conveyed to Roy Fanti by deed dated January 11, 1974 and recorded in Hampshire County Registry of Deeds in Book 1753, Page 288.

Article 9.

To vote to amend the Hadley Zoning Bylaws, Section III-C. Business District by adding a new subsection Section III-C 3. Prohibited Uses, which will read as follows: In limitation of the above, the following uses are not permitted in the Business District: convenience stores, shopping centers over 50,000 sq. ft., automotive service station, drive-in theater, commercial radio-microwave or TV tower, self-storage units, junkyards, auto dismantling or used parts yard, drive-in or fast food restaurants, motel or hotel and commercial car wash, or take any action relative thereto.

Article 10.

To vote to amend the Hadley Zoning Bylaws by amending Section III-C(1)-3. Uses not permitted in the Limited Business District, by adding the following as not allowed in this district: convenience stores, discount stores, wholesale stores, shopping centers, drive-in or fast food restaurants, trucking or bus terminals, motel or hotel, commercial radio-microwave or TV tower, commercial car wash, self-storage unit, or take any action relative thereto.

Article 11.

To vote to amend the Hadley Zoning Bylaw Section VII: SITE PLAN APPROVAL, by replacing the existing section with an entirely new section titled: COMMERCIAL SITE PLAN APPROVAL, as on file with the Hadley Town Clerk. Changes include allowing the Planning Board to waive certain requirements and projects, and adding a more specific review process and procedures, and other changes. Standards for review, 1000 sq. ft. and exemptions from Site Plan Approval, have not been changed. A copy of the proposed bylaw is on file with the Hadley Town Clerk and may be viewed during normal business hours in that office, or take any action relative thereto.

✓ Article 12.

To see if the town will vote to adopt the following By-Law under the Home Rule Amendment to the Mass Constitution: All fees collected by town officials during the course of their official duties shall be deposited into the treasury of the Town of Hadley for use as the town determines effective in 1991 or take any other action thereto.

✓ Article 13.

To see if the town will vote to repeal the following Town By-Law Section I which was passed at the annual Town Meeting held on March 31, 1960:

Section I: All warrants for Town Meetings shall be served by posting attested copies in three or more public places in the Town of Hadley at least seven days before day of said meeting and publication in the local county newspaper for all special meetings three times, beginning with the seventh day before said meeting and ending on the day of the meeting, or take any other action relative thereto.

✓ Article 14. 87-25

To see if the Town will vote to enact a by-law to require a program of recycling in conjunction with ordinary waste disposal. Residents of every household shall separate waste material into the following categories before depositing same for disposal:

1. glass and metal
2. paper
3. other wastes

Failure to separate the wastes into the enumerated categories may result in the wastes not being accepted for disposal and fines as provided for by town by-law or take any other action relative thereto.

✓ Article 15.

To see if the Town will vote to accept as a public way a street known as Aloha Drive and more particularly described as follows:

That tract of land for Highway purposes situated on the westerly side of Shattuck Road in Hadley, Hampshire County, Massachusetts as shown on a plan entitled "Brookside Acres II Definitive Subdivision Plan prepared for Alice M. Russell. Surveyed by Harold L. Eaton, Professional land Surveyor dated June 14, 1985 and recorded in the Hampshire County Registry of Deeds in Plan Book 137, Page 79, more particularly bounded and described as follows:

Beginning at a concrete bound on the westerly side of Shattuck Road, said bound being located N. 10 degrees 16' 43" W. a distance of 125.96 feet along the westerly side of said Shattuck Road from an iron pin marking the northeast corner of land now or formerly of Richard S. and Becky A. Blajda; thence northerly, northwesterly and westerly on a curve to the left having a radius of 25.00 feet an arc distance of 38.39 feet to a concrete bound; thence S. 81 44' 30" E. a distance of 1079.19 feet to a concrete bound; thence westerly and southwesterly on a curve to the left having a radius of 25.00 feet an arc distance of 24.54 feet to a concrete bound; thence southwesterly, westerly, northwesterly, northerly, northeasterly, easterly and southeasterly on a curve to the right having a radius of 65.00 feet an arc distance of 331.83 feet to a concrete bound; thence southeasterly and easterly on a curve to the left having a radius of 25.00 feet an arc distance of 24.54 feet to a concrete bound; thence N. 81 degrees 44' 30" E. a distance of 1075.65 feet to a concrete bound; thence easterly, northeasterly and northerly on a curve to the left having a radius of 25.00 feet an arc distance of 40.15 feet to a concrete bound on the westerly side of said Shattuck Road; thence S. 10 degrees 16' 43" E. along said Shattuck Road a distance of 100.07 feet to the concrete bound at the point of beginning and containing 1.591 acres more or less. Being known as Aloha Drive.

Also conveying rights to two 20 foot wide easements for drainage purposes as follows:

Drainage easement number one across Lots #11 and #12 as shown on said plan. Beginning at a point on said Aloha Drive, which point is N. 81 degrees 44' 30" E. a distance of 10 feet from an iron pin at the southeasterly corner of said lot #11; thence N. 08 degrees 15' 30" W. a distance of 163.07 feet to a point on the northerly line of said Lot #12; thence S. 81 degrees 44' 30" W. a distance of 20 feet to a point on the northerly line of said lot #11; thence S. 08 degrees 15' 30" E. 163.07 feet to a point on the northerly side of Aloha Drive; thence N. 81 degrees 44' 30" E. a distance of 20 feet to the point of beginning and containing 3,261 square feet more or less.

Drainage easement number two across Lots #7 and #8 as shown on said plan. Beginning at a point on said Aloha Drive, which point is N. 81 degrees 44' 30" E. a distance of 10 feet from a concrete bound at the northwesterly corner of said Lot #7; thence S. 08 degrees 15' 30" E. a distance of 150.00 feet to a point on the southerly line of said Lot #7; thence S. 81 degrees 44' 30" W. a distance of 20.00 feet to a point on the southerly line of said Lot #8; thence N. 08 degrees 15' 30" W. a distance of 147.91 feet to a point on the southerly side of said Aloha Drive; thence northeasterly on a curve to the right having a radius of 25.00 feet an arc distance of 10.29 feet along said Aloha Drive to a

concrete bound; thence N. 81 degrees 44' 30" E. a distance of 10.00 feet along the southerly side of said Aloha Drive to the point of beginning and containing 2,986 square feet more or less, or take any other action relative thereto.

Article 16.

To see if the Town will vote to accept as a public way a street known as Lady Slipper Lane and more particularly described as follows:

"That tract of land for Highway purposes situated on the westerly side of Shattuck Road in Hadley, Hampshire County, Massachusetts as shown on a plan entitled "Brookside Acres II Definitive Subdivision Plan Prepared for Alice M. Russell" Surveyed by Harold L. Eaton, Professional Land Surveyor dated June 14, 1985 and recorded in the Hampshire County Registry of Deeds in Plan Book 137, Page 79, more particularly bounded and described as follows:

Beginning at a concrete bound on the westerly side of Shattuck Road, said bound being located N. 10 degrees 16' 43" W. a distance of 502.35 feet along the westerly side of said Shattuck Road from an iron pin marking the northeast corner of land now or formerly of Richard S. and Becky A. Blajda; thence northerly, northwesterly and westerly on a curve to the left having a radius of 25.00 feet an arc distance of 38.39 feet to a concrete bound; thence S. 81 degrees 44' 30" W. a distance of 882.85 feet to a concrete bound; thence westerly and southwesterly on a curve to the left having a radius of 25.00 feet an arc distance of 24.54 feet to a concrete bound; thence southwesterly, westerly, northwesterly, northerly, northeasterly, easterly and southeasterly on a curve to the right having a radius of 65.00 feet an arc distance of 331.83 feet to a concrete bound; thence southeasterly and easterly on a curve to the left having a radius of 25.00 feet an arc distance of 24.54 feet to a concrete bound; thence N. 81 degrees 44' 30" E. a distance of 879.31 feet to a concrete bound; thence easterly, northeasterly and northerly on a curve to the left having a radius of 25.00 feet an arc distance of 40.15 feet to a concrete bound on the westerly side of said Shattuck Road; thence S. 10 degrees 16' 43" E. along said Shattuck Road a distance of 100.07 feet to the concrete bound at the point of beginning and containing 1.366 Acres more or less. Being known as Lady Slipper Lane.

Also conveying rights to one 20 foot wide easement for drainage purposes as follows:

Drainage easement across Lots #21 and #22 as shown on said plan. Beginning at a point on said Lady Slipper Lane, which point is N. 81 degrees 44' 30" E. a distance of 10 feet from an iron pin at

the northwesterly corner of said Lot #21; thence S. 08 degrees 15' 30" E. a distance of 163.06 feet to a point on the southerly line of said Lot #21; thence S. 81 degrees 44' 30" W. a distance of 20 feet to a point on the southerly line of said Lot #22; thence N. 08 degrees 15' 30" W. a distance of 163.06 feet to a point on the southerly side of Lady Slipper Lane; thence N. 81 degrees 44' 30" E. a distance of 20 feet to the point of beginning and containing 3,261 square feet more or less, or take any other action relative thereto.

REPORT OF THE BOARD OF SELECTMEN

The

TO: Honorable Citizens Of Hadley:

During the past year, your Board of Selectmen have been involved in many projects to provide the services that you deserve while still maintaining Hadley's traditionally low tax rate.

Using Chapter 90 monies and monies that you appropriated to the Highway Department, the highway paving program that began two years ago was continued with portions of North Hadley Road, Bay Road, Cemetary Road, and Cross Path Road being paved. Using monies received from grants, nearly all of Stockbridge Road was widened and resurfaced with drainage installed to remove water from standing on many portions of the road and the Town's portion of Barrus Road, which leads to the Mt. Holyoke Range Park, was substantially reconstructed. Additionally, plans are in progress to reconstruct the Bridge on Moody Bridge Road with grant monies.

Reflecting the sentiments of the community, we have used a portion of the funds in our Land Preservation Fund to facilitate the acquisition of development rights in fertile soils within our borders in order to preserve said lands for generations to come as farm land and open space.

We have begun negotiations to acquire parcels of land or the development rights to said parcels in the vicinity of our water supplies near the Mount Warner resevoir. We are presently studying methods of expanding our water supplies in order to prevent water bans during dry periods. In the near future, we hope to present a proposal to either install a filtration system to make better use of the water in the Callahan wells off of Bay Road or to install an additional well in the Mount Warner resevoir in order that there is sufficient water supplies to meet Hadley's present and anticipated future needs for years to come.

Over the last several years, as the Town has grown and the regulations and paperwork of the federal and state governments have multiplied, it has become increasingly apparent that professional managerial, administrative and investigative assistance was needed to relieve some of the duties, responsi-

bilities and pressures placed upon our many dedicated, talented, and industrious Town officials and employees. During 1988, we successfully applied for a grant that will enable us to hire Hadley's first full-time Administrator in 1989. Since September of 1986, we have successfully shared Don Kjeldmyr as an Administrative Assistant with the Town of Granby.

During the past year, we have investigated methods-to dispose of our future solid wastes and garbage, sought unsuccessfully a grant to cap our dump, continued the computerization of our Town's procedures and records, and studied numerous traffic problems.

We have taken every effort to assure that our police and fire departments have the equipment and resources necessary to assist you and others should an emergency occur. We owe a special thanks to our brave and courageous volunteer firemen who leave their homes, their places of work, their recreational activities and their family and friends to respond to our emergencies. Without their dedication and commitment to our Fire Department, our tax rate would probably be a dollar higher.

In closing, we would like to thank Joanna Devine for her ~~twenty-one~~ years of dedicated, loyal, and excellent service to the Board of Selectmen and the Community. Joanna performed many administrative and research functions as well as all the secretarial work for the Board and always performed in a professional, courteous, and efficient manner.'

Philip S. Mokrzecki, Chairman

John H. Allen, Member

TOWN OF HADLEY, MASSACHUSETTS

OFFICE OF THE PLANNING BOARD Room 207

To: Citizens of the Town of Hadley:

The Planning Board has seen some relief regarding residential development in 1988. This is probably due to a market which is becoming somewhat saturated with available housing at the present time. There was only one application for a new residential subdivision of about eight building lots in 1988. Business applications under Site Plan Approval were still busy. This is also due to the ammendment at the annual Town Meeting which lowered the limit from 3000 sq.ft to 1000 sq.ft. required for Site Plan Approval. The Town also approved a new Zoning Bylaw at the Fall Special Town Meeting: a 10% growth cap on residential development. This new Zoning Bylaw should enable the Town to help plan for the long term residential development of our town. A cluster zoning article was presented at the Fall Town Meeting for discussion purposes only. The response to this article showed overwhelming support for it, and the Planning Board will be persuing this idea further.

The Pioneer Valley Planning Commission is also performing an overhaul of the Zoning Bylaws for Hadley and the results of this work will presented in the near future.

Respectfully Submitted,

James J Maksimoski-Chairman
William E Dwyer-Secretary
Joseph F Zgodnik
John E Devine
Chester F Kulikowski

VITAL STATISTICS FOR THE TOWN OF HADLEY

ANNUAL TOWN MEETING May 5 and 12, 1988

In accordance with the Warrant as posted, the May 5, 1988 meeting was called to order at 7:20 p.m. by Moderator, Kenneth A. Parker, when a quorum of 100 had been reached.

Article 2. Voted that the town authorize the Town Treasurer, with the approval of the Board of Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1988, in accordance with the provisions of General Laws, Chapter 44, section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, section 17.

Article 3. Voted that the Town authorize the Board of Selectmen to sell and convey by proper deeds in the name of the Town any land owned by or in control of the Town.

Article 4. Voted to raise and appropriate such sums of money as shall be necessary to defray the current expenses and charges of the financial year, including debt and interest, and to fix the salary and compensation of all

elected officials of the Town as provided for by Chapter 41, section 108 of the General Laws as amended, including, if appropriate: Moderator, Selectmen, Town Clerk, Town Collector, Town Treasurer, Assessors, Town Constables, Board of Health, Elector under the Oliver Smith Will, Sewer Commission, Planning Board, and Park Commission, and to provide for a reserve fund for the current financial year.

Article 5. Voted that the Town authorize the Board of Selectmen to apply for Massachusetts Small Cities Program grants or monies, or any other Federal or State grants or monies and to expend any monies received as set forth in the appropriate application.

Article 6. Voted to have the following question placed upon the official ballot for the 1989 Annual Town Election:

"Shall this town continue to be a member of the Pioneer Valley Regional Transit Authority?"

Article 7. Voted that the Town raise and appropriate the sum of \$3,000 to reimburse the Commonwealth of Massachusetts for the Town's share of a pension or retirement allowance paid to a widow of a veteran by the Commonwealth of Massachusetts for the fiscal year commencing on July 1, 1988, as required by and computed under the provisions of Chapter 32, section 59A of the General Laws.

Article 8. Voted that the Town raise and appropriate the sum of \$11,000, the State's share available under Chapter 90 Type money and such funds as the Commonwealth of Massachusetts Department of Public Works may provide, and to raise and appropriate or borrow a sum of money the Town's share in addition to the State's share, and to authorize the Board of Selectmen to enter into contracts with the Commonwealth of Mass. Department of Public Works for Chapter 90 Type money allocated to the Town by the State in fiscal year 1989.

Article 9. Voted that the Town amend Section 6 of the Bylaws of the Town of Hadley as published in 1945 under Chapter 130 of the Acts of 1910 to read as follows:

There shall be an advisory or Finance Committee as provided by Chapter 130, Acts of 1910, consisting of five members to continue in office for a term or terms not exceeding three years. (They to be appointed by the Moderator of the annual Town Meeting, two members for a term of three years, two members for a term of two years and one member for a term of one year.) The terms of new appointees to begin on the first day of July in each year. Vacancies shall be filled by the Moderator of the annual Town Meeting held last before the vacancy occurs. Selectmen, members of the School Committee and the Town Treasurer shall not be members of the committee. The committee shall investigate all matters mentioned in the warrant for any Town Meeting that may affect the finances of the Town, and make reports or recommendations to the Town with reference to the same and make recommendations to the Town with reference to any municipal question.

Article 10. Voted to accept Chapter 339 of the Acts of 1981 which provides for the use of offset receipts.

Article 11. Voted to accept Chapter 236 of the Acts of 1987 which provides for the expenditure of default funds by municipal planning boards.

Chapter 236 of the Acts of 1987 amends Chapter 41, section 81U by inserting after the penultimate paragraph the following paragraph:

In any town which accepts the provisions of this paragraph, the proceeds of any such bond or deposit shall be made available to the town for expenditure to meet the cost and expenses of the municipality in completing the work as specified in the approval plan. If such proceeds do not exceed twenty-five thousand dollars, the expenditure may be made without specific appropriation under section fifty-three or chapter forty-four; provided, however, that such expenditure is approved by the Board of Selectmen. The provisions of this paragraph shall not apply to cities or to towns having town councils.

Article 12. Defeated by majority vote.

Article 13. Voted to authorize the Board of Selectmen to develop, issue and maintain rules and regulations, including the imposition of fines, governing hawkers, peddlers, and transient vendors as provided in Chapter 101 of the General Laws of the Commonwealth of Massachusetts.

Article 14. Voted to authorize the Board of Selectmen to develop, issue and maintain parking and traffic rules and regulations as provided in Chapter 89 and 90 of the General Laws of the Commonwealth of Massachusetts, including regulations governing the issuance of parking tickets as provided in Chapter 90, section 20A of the General Laws of the Commonwealth of Massachusetts.

Article 15 was withdrawn.

Article 16. Voted to transfer the sum of \$70,000 from the Town land fund voted under Article 4 at the special Town Meeting held on October 29, 1987, and to authorize the Board of Selectmen to expend said \$70,000 for the purpose of supporting applications from the Town of Hadley under the Agriculture Preservation Restriction (APR) Program, provided that no expenditure to support an individual APR application be more than 5% of the purchase price of the land under the APR program.

Article 17. Voted to raise and appropriate the sum of \$6,500 as the matching sum for a Pioneer Valley Planning Commission grant for updating the Town's zoning bylaws.

Article 18. Voted that the Town participate in the new Amherst animal shelter, and to raise and appropriate the sum of \$2,680. as the first year assessment for participation in the said animal shelter.

Article 19. Voted to amend the Town's bylaws by adopting the following bylaw entitled "Town Administrator":

The "Town Administrator" bylaw shall read as follows:

Town Administrator:

Section 1. Position Established, Qualifications

- a. There is hereby established the position of Town Administrator, who shall be appointed by the Board of Selectmen on the basis of education, executive and administrative qualifications and experience in public or business administration.
- b. The Town Administrator shall devote full-time to the duties of the position and shall not engage in any other business or occupation during employment with the Town. During the time the Town Administrator holds office, the Town Administrator shall hold no elective town office but the Board of Selectmen may appoint the Town Administrator to any other office or position consistent with the office.

Section 2. Term of Office, Compensation

- a. The Board of Selectmen by a majority vote of the full membership of the Board shall appoint the Town Administrator for a three year term and shall fix the compensation of the Town Administrator within the amount appropriated.
- b. Any vacancy in the office of the Town Administrator shall be filled as soon as possible by the Board of Selectmen. During the course of any vacancy the Selectmen shall appoint a suitable person as acting Town Administrator to perform the duties of the office.

Section 3. Duties and Responsibilities

The Town Administrator shall act as the agent for the Board of Selectmen and shall:

Under the general supervision and policy direction of the Board of Selectmen supervise, direct and be responsible for the efficient administration of all departments and employees within the jurisdiction of, or appointed by the Board of Selectmen;

compile the annual operating budget and the annual capital improvements program for all Town agencies and submit the same to the Board of Selectmen and the Finance Committee;

Assist the Board of Selectmen in the recruitment and selection of department heads and employees by making recommendations to the Board of Selectmen;

Attend all regular and special meetings of the Board of Selectmen unless excused and have a voice but no vote in all of its discussions;

Attend all regular and special sessions of the Town Meeting to answer questions and provide information as requested;

Keep the Board of Selectmen informed as to the financial conditions and needs of the Town;

Coordinate the activities and functions of the Town Accountant, Treasurer, Collector and Board of Assessors;

Enforce the policies of the Board of Selectmen, votes of Town Meeting, and bylaws;

Exercise general supervision over the personnel, organization, systems and practices of the Board of Selectmen's office;

Assist the Board of Selectmen in the collective bargaining process;

Act as the liaison and represent the Board of Selectmen before State, Federal and regional authorities;

Hold periodic meetings with department heads and employees under the control of the Board of Selectmen;

Perform any other duties required by votes of the Board of Selectmen, Town Meeting votes and by law.

Voted to amend the article wherever Town Administrator appears in the bylaw change it to "Administrative Assistant" from "Town Administrator".

Article 20. Voted to raise and appropriate the sum of \$1,014.00 to be used to allow the town of Hadley to participate in a Pioneer Valley Planning Commission grant for a regional household hazardous waste collection program.

Article 21. Voted to withdraw Article 21.

Article 22. Voted to raise and appropriate the sum of \$6500 for the purchase of a modern phone system for Town Hall.

Article 23. Voted to authorize the Board of Selectmen to apply for any State or Federal grants, monies, or loans that are or may become available for the purpose of capping the Town's old landfill, and to expend any monies received as set forth in the appropriate application.

Article 24. Voted to raise and appropriate the sum of \$75,000 as the matching sum for any state or Federal grants, monies or loans that the Town may apply for and receive for the purpose of capping th Town's old landfill.

Article 25. Voted to appropriate from the Water Enterprise Fund the sum of \$11,000 for the installation of at least 5 new fire hydrants and valves, and for the installation of at least 3 main line valves for the Town's water distribution system.

Article 26. Voted to raise and appropriate the sum of \$15,000 and to transfer the sum of \$5,000 from the Water Enterprise Fund for the purchase of a new 3/4 ton 4-wheel drive pickup truck with snow plow for the Town's Highway and Water Department and to authorize the Board of Selectmen to sell or trade the 1965 Dodge pick-up.

Article 27. Voted to borrow the sum of \$75,000 for the purchase of a new dump truck with sander and power angle plow to be used in the Town's Highway Department; and to authorize the Board of Selectmen to trade, sell or retain the 1971 F750 dump truck.

Town meeting was then recessed until next Thursday at 7:00 p.m. A total of 379 voters were present for this session of the town meeting.

The May 12, 1988 session of the annual town meeting was called to order at 7:10 p.m. when a quorum of 100 had been reached. A total of 327 registered voters attended this session of the town meeting.

Moderator, Kenneth A. Parker, explained that Article 8 would have to be revoked to clarify the vote.

Article 8. Voted that the Town borrow the sum of \$33,223.00 the State's share available under Chapter 90 Type money and such funds as the Commonwealth of Massachusetts Department of Public Works may provide, and to raise and appropriate the sum of \$11,000 the Town's share in addition to the State's share, and to authorize the Board of Selectmen to enter into contracts with the Commonwealth of Massachusetts Department of Public Works for Chapter 90 type money allocated to the Town by the State in fiscal year 1989.

Article 28. Voted to raise and appropriate the sum of \$10,000 for the replacement of the roof of the Town garage.

Article 29. Voted to raise and appropriate the sum of \$1320.00 for the purchase of four not seven pocket paggers for the Fire Department.

Article 30. It was voted to withdraw Article 30.

Article 31. Voted to raise and appropriate the sum of \$17,400 to repair and upgrade the drivetrain on the 1961 Seagrave pumper currently used in the Town's Fire Dept.

Article 32. Voted to raise and appropriate the sum of \$11,800 to repair and repaint the body and upgrade the electrical and brake system of the 1961 Seagrave fire truck currently used in the town's fire department.

Article 33. Voted to raise and appropriate the sum of \$25,000 for the purchase of a new Special Education van to be used by the School Department; and to authorize the School Board to trade, sell or retain the currently 1984 vehicle.

Article 34. Voted to raise and appropriate the sum of \$11,000 to repair a portion of the roof on the Old Hopkins gymnasium.

Article 35. Voted to raise and appropriate the sum of \$10,000 to excavate the perimeter of three walls, waterproof the foundation, redirect the flow of drainage water and re-grade the East, South and West lawns of the Goodwin Memorial Library.

Article 36. Voted to borrow the sum of \$24,000 to be used for repair and/or replacement of 375 ft. of the existing 12" sanitary sewer in Stockbridge Road during the construction of the roadway by the State DPW; these funds are to be used in conjunction with the monies appropriated from the Sewer Surplus Revenue under Article 39 of the annual Town Meeting held May 7, 1987; the appropriated funds shall be used for construction and engineering services.

Article 37. It was voted to withdraw Article 37.

Article 38. Voted to amend the Zoning Bylaws of the Town of Hadley, Section VIII: Site Plan Approval, subsection C: Exemptions from Site Plan Review, Item No. 3, which now reads: "construction or alteration involving not more than 3000 square feet total floor area after construction" to read as follows:

"Construction or alteration involving not more than 1000 square feet total floor area after construction, with Site Plan Approval required for all gas stations, convenience stores, or other commercial uses which could in the opinion of the Planning Board, represent a potential negative impact".

Approved by the Attorney General on August 23, 1988 except that the words "with Site Plan Approval required for all gas stations, convenience stores, or other commercial uses which could in the opinion of the Planning Board, represent a potential negative impact" are stricken from Article 38.

Article 39. Voted to amend the zoning bylaws of the Town of Hadley by adding a new section XIII entitled "Annual Building Permit Limitation"

(Approved by the Attorney General on August 23, 1988. Full text of Article 39 may be viewed at or obtained from the Town Clerk's office)

Article 40. Defeated to amend the Town of Hadley Zoning Bylaws and the zoning map of the Town of Hadley by rezoning the following parcel of land from Agricultural/Residential to Limited Business, said parcel being a strip of land lying on the northerly side of Rocky Hill Road (a public way in the Town of Hadley, Commonwealth of Massachusetts) starting three hundred feet (300') more or less from the intersection of River Drive and Rocky Hill Road and described under Article 40.

Article 41. Defeated that the Town of Hadley accept the proposed bikeway.

Article 42. Voted to withdraw Article 42.

Article 43. S.D.I./"Star Wars" article was defeated.

Article 44. Defeated to amend Section II-B of the Zoning Bylaws and the Zoning Map of the Town of Hadley, MA; as amended and incorporated herein by reference; by voting to change a strip of land currently zoned Agricultural/Residential to Business; said strip of land lying on the northerly side of Mill Valley Road from the intersection of Russell Street (Route 9) and Mill Valley Road approximately 1,750 feet along Mill Valley Road to the dividing line between land of Peter P. Salvatore and Ann M. Salvatore et al and as described under Article 44.

Article 45. Defeated to transfer from free cash the sum of \$50,000 to pursue a lawsuit against Young Meadow Farm.

Article 46. Voted to use \$7,000 of the interest monies from the George Edwards fund to support continued operation of the Old Hopkins Gymnasium and the North Hadley Hall for the main purpose of recreational and community activities.

Article 47. Voted to purchase approximately 4 acres of land in the Town of Hadley adjacent to the Hopkins Academy on the south and west, and to borrow the sum of \$80,000 for said land purchase as described under Article 47.

Article 48. Voted to withdraw Article 48.

Article 49. Voted to withdraw Article 49.

Article 50. Voted to appropriate \$4,800,983.00 for the maintenance and operation of the Town, and to meet said appropriation \$233,072 be transferred from the Sewer Revenue and \$263,434 from the Water Receipts Fund, \$12,932. from available funds, \$212,223 to be borrowed and \$20,000 to be transferred from overlay surplus.

Hadley, Mass. May 16, 1988

To The Board of Assessors of the Town of Hadley, Mass.

I hereby certify that at the annual town meeting held on May 5 and May 12, 1988 it was voted to appropriate the following sums of money to be raised by taxation or taken from available funds for the purpose of defraying charges for the fiscal year 1988 - 1989 and the use of \$593,506.00 from available funds in determining the tax levy:

Joanna P. Devine

Town Clerk

SPECIAL TOWN MEETING

October 26, 1988

In accordance with the Warrant as posted, the October 26, 1988 meeting was called to order at 7:20 p.m. by Moderator, Kenneth A. Parker, when a quorum of 100 had been reached.

Article 1. Voted that the Town borrow the sum of \$349,981.00 for the purchase of land and/or development rights in accordance with the rules of the Commonwealth of Massachusetts Aquifer Land Acquisition Program, said sum to be reimbursed by the Commonwealth of Massachusetts Aquifer Land Acquisition Program.

Article 2. Voted to take no action on Article 2.

Article 3. Voted that the Town authorize the Town of Hadley by deed of the Board of Selectmen, to purchase and/or take by eminent domain all and/or part of (as determined by the Board of Selectmen) the parcels of land shown on the Town of Hadley's Tax Assessing Maps (revised January 1, 1988) as parcel 13 on Map 11A, now or formerly owned by Thomas Quinlan; and parcel 45 on Map 11A, now or formerly owned by Stanley Sadlowski; for the purpose of protecting the town of Hadley's aquifer, provided that the price for each parcel and/or the development rights to each parcel is determined to be in the best interest of the Town of Hadley by the Board of Selectmen after appraisal by a certified appraiser; said parcels of land being more particularly described as follows:

A parcel of land shown on the Town of Hadley's Tax assessing map as revised on January 1, 1988 as parcel 13 on Map 11A, now or formerly owned by Thomas Quinlan, and located at the southerly end of Mount Warner; said parcel being comprised of 18 acres of land, more or less, and being bounded on the south by Mount Warner Road, on the east by land now or formerly owned by Kentfield Farms, Inc., on the northeast by land now or formerly owned by Douglas Elder et ux, on the west and northwest by land now or formerly owned by Jessie Agassiz, and on the west by land now or formerly owned by Edward Pogoda et al;

and

A parcel of land shown on the Town of Hadley's Tax assessing map as revised on January 1, 1988 as parcel 45 on Map 11A, now or formerly owned by Stanley Sadlowski, and located between Mount Warner Road and Huntington Road in the Town of Hadley; said parcel being comprised of 24 acres of land, more or less, and being bounded on the north by Mount Warner Road, on the east by land comprising part of the residential sub-division on Crestview Drive, Bargate Lane, Maplewood Terrace and Edgewood Terrace, specifically parcels 46, 47, 65, 66, 67, 79, 91, and 92 on Map 11A of the town of Hadley's tax assessing maps as revised January 1, 1988; on the south by Huntington Road, on the west by land now or formerly owned by Edward Pira, et ux; and land now or formerly owned by Thomas Quinlan.

Article 4. Voted that the Town accept Chapter 59, section 57B of the Massachusetts General Laws which authorizes the Town Collector to issue a single bill for the full amount of property tax when that amount is fifty dollars or less.

Article 5. Voted that the Town transfer from Free Cash the sum of \$3500.00 for the purchase of a Town Hall fire alarm system.

Article 6. Voted that the Town amend the Zoning Bylaws of the Town of Hadley by creating a new section, Section XV: Rate of Development which reads as follows:

Section XV: Rate of Development 1.

15.0.1 Building permits for the construction of dwellings on late held in common ownership on the effective date of this provision shall not be granted at a rate per annum greater than as permitted by the following schedule commencing in the year such lots are subdivided or in the year this provision becomes effective, which ever is later.

15.1.1 For such lots containing a total area of land sufficient to provide more than ten dwellings at the maximum density permitted for the District in which such lots are located: one tenth (1/10) of the number of dwellings permitted to be constructed or placed on said area of land based on said maximum permitted density.

15.2.1 For such lots containing a total area of land insufficient to provide more than ten dwellings at the maximum density permitted under these Bylaws for the District in which such lots are located: one dwelling.

15.3.1 Any lot in a subdivision covered by this provision hereafter sold or otherwise transferred to another owner shall include in the deed the earliest date on which the construction may be commenced in accordance with these provisions.

15.4.0 The Rate of Development of a subdivision is established as a part of the evaluation of a Definitive Plan and shall be calculated as follows:

15.4.1 Add the total acreage of all lots which because of their size, restrictive covenants or conservation restrictions, cannot be re-subdivided. (The road system not included.)

15.4.2 Subtract from the total of 15.4.1, above, the nonbuildable land which because of soil conditions or topography is not buildable, within the lots covered by 15.4.1.

15.4.3. Add to the result of 15.4.1 and 15.4.2., above, the allowable minimum lot size acreage for the district in which the subdivision is located for each lot which can be re-subdivided. (For example: a three acre lot in a 40,000 sq. ft. zoning district will be considered 40,000 sq. ft. for the purpose of this calculation.)

15.4.4. Divide the result of 15.4.3, above, by the minimum lot size allowable for the district in which the subdivision is located. The Rate of Development each year equals 10% of this number.

(Approved by the Attorney General on November 22, 1988)

Article 7. Voted to amend the Zoning Bylaws of the Town of Hadley, Section V.: General Regulations, by adding a new subsection V-F: WETLANDS RESTRICTIONS ON BUILDING LOTS, which reads as follows:

Subsection V-F. Wetlands Restrictions on Building Lots.

Every building lot created after the effective date of this amendment shall contain the following amount of "upland": 1/3 (one third) acre if the lot is not to be sewered, and $\frac{1}{4}$ (one quarter) acre if the lot will be sewered. For the purpose of this bylaw, "upland" is defined as land which is neither defined as wetlands under the Massachusetts Wetlands Protection Act, nor located within 100 (one hundred) feet of such wetlands.

(Approved by the Attorney General on November 22, 1988)

Article 8. Voted to discuss the feasibility of creating a new section of the Hadley Zoning Bylaws "Farmland/Open Space Protection Overlay District, and to vote to see if the Planning Board should pursue this matter for a zoning article.

Article 9. Voted to amend section 11-B of the town of Hadley zoning bylaws and the zoning map of the town of Hadley by rezoning the following parcel of land from Business to limited Business, said parcel being located along Middle Street, (a public way in the town of Hadley, Commonwealth of Massachusetts) and described as follows:

Beginning at a point of the southerly side of Middle Street approximately three hundred eighty six (386) feet from Bay Road and said point being the southerly boundary of Parcel forty nine (49) on Tax Map 4-B; thence proceeding in a westerly direction three hundred feet to a point and said point being on the current division line of a parcel currently zoned business and currently zoned Agricultural/Residential; thence proceeding in a southerly direction one thousand sixty four feet more or less along Middle Street to a point and said point being on the current division line between a parcel currently zoned Business and a parcel currently zoned Agricultural/Residential; thence proceeding in an easterly direction three hundred feet to a point on the westerly side of Middle Street; thence proceeding in an easterly direction across Middle Street to a point on the easterly side of Middle Street; thence proceeding in an easterly direction three hundred feet to a point and said point being on the current division line between a parcel currently zoned Business and a parcel currently zoned Agricultural/Residential; thence proceeding in a northerly direction one thousand sixty four feet more or less along Middle Street to a point and said point being on the current division line between a parcel currently zoned Business and a parcel currently zoned Agricultural/Residential; thence proceeding in a westerly direction three hundred feet to a point on the southerly boundary of Parcel thirty two (32) on Tax Map 4-B; thence proceeding in an westerly direction across Middle Street to the point of beginning.

The above described parcel being currently zoned Business and being located along Middle Street in Hadley, Massachusetts as shown on the current zoning map of the Town of Hadley, Massachusetts, said map being dated December 11, 1978.

(Approved by the Attorney General on November 22, 1988)

Article 10. Voted to amend Section II-B of the Zoning Bylaws and the Zoning Map of the Town of Hadley, MA; as amended and incorporated herein by reference; by voting to change a strip of land currently zoned Agricultural/Residential to Industrial; said strip of land lying on the northerly side of Mill Valley Road from the intersection of Russell Street (Route 9) and Mill Valley Road approximately 1,750 feet along Mill Valley Road to the easterly boundary line of land of Peter P. Salvatore and Ann M. Salvatore et al and more particularly bounded and described as follows:

Beginning at the intersection of the southerly side of Russell Street and the northerly side of Mill Valley Road; thence proceeding on the northerly side of Mill Valley Road along land of Peter P. Salvatore et al in an easterly direction approximately 1,750 feet to a point at land now or formerly of Allard Farms, said point being the intersection of the northerly line of Mill Valley Road and the easterly boundary of land now or formerly of Peter P. Salvatore et al and the westerly boundary of land of now or formerly of Allard Farms; thence proceeding along the easterly boundary of land of Peter P. Salvatore et al in a northerly direction to a point, said point being the intersecting lines where the current zoning division of the agricultural/

residential and industrial zone meet on the easterly boundary of land of Peter P. Salvatore et al; thence proceeding in a westerly direction along land of Peter P. Salvatore et al and along a strip of land zoned industrial and on the northerly side of the parcel herein described to a point on the southerly side of Russell Street, said point being more specifically the point of intersection where the current agricultural/residential zone meets with the business zone on the southerly side of Russell Street; thence along the southerly side of Russell Street to the place of beginning on the northerly side of Mill Valley Road.

(Approved by the Attorney General on November 22, 1988)

Article 11. Voted to transfer from free cash the sum of \$20,000 to pursue legal action against the Commonwealth of Massachusetts' proposal to construct a bikepath in the Town of Hadley.

Article 12. Voted to take no action on Article 12.

Article 13. Voted to take no action on Article 13.

The Special Town Meeting was adjourned at 9:40 p.m. A total of 317 voters were present for the Special Town Meeting.

BOARD of REGISTRARS

TOWN HALL
HADLEY, MASS. 01035

The 1988 Town census showed a total of 4085 residents. Of those, 2586 were registered voters with 264 Republicans, 1081 Democrats and 1241 Unenrolled or Independent.

The year 1988 was a very busy year for the Board of Registrars. In addition to conducting the annual Town census during January and February, the Registrars spent many, many hours, at no cost to the town, entering all the census data into our newly acquired computer.

Voter registration sessions for the March 8, 1988 Presidential Primary were held. Totals at the close of registration were: 983 Democrats, 250 Republicans, 1329 Unenrolled for a total of 2652 registered voters. The voter turnout for the election was: 651 Democrats and 185 Republicans voting for a total of 836.

Our annual Town election was held on April 12, 1988. Total registered voters was 2598 and a total of 1837 ballots were cast.

A recount for the office of Assessor, which was petitioned by candidate, Jeffrey Mish, was held on May 3, 1988. The results of the recount showed no significant difference and Teresa L. Barstow was again declared the winner of that office.

Following the annual Town Meeting on May 5 and 12, 1988, the next election was the State Primary on September 15, 1988. Total number of registered voters for this election was 2718. (1112 Democrats; 274 Republicans and 1332 Unenrolled) Voter turnout for this election was: 468 Democrats and 75 Republicans for a total of 543.

The next voter registration sessions were for the Special Town Meeting on October 26, 1988 and the Presidential Election on November 8, 1988. Total registered voters for the Presidential Election was 2962 (1183 Democrats; 306 Republicans; 1473 Unenrolled) with 100 of those registering on October 11th which was the final day to register to vote for the Presidential Election. Voter turnout for the Presidential Election was outstanding with 2643 or 89% of the voters casting their ballot.

In addition to Linda Goulet, Assistant Registrar at Hopkins Academy, we also appointed Janice Kangas and Diane Baj as Assistant Registrars to assist in the absence of one of the Registrars.

We would like to thank the residents and town officials for the co-operation they have given us this year in carrying out our many duties.

Respectfully submitted,

LAURA NIEDZWIECKI, CHAIRPERSON
MICHELLE MOKRZECKI
IRENE LANKARGE
JOANNA P. DEVINE, CLERK

Report Of The Board Of Assessors

To the Board of Selectmen and Citizens of the Town of Hadley:

Fiscal Year 1989 tax rate was approved November 29, 1988 by the Department of Revenue, Property Tax Bureau, Division of Local Services. The recertification and revaluation required for Fiscal year 1990 is scheduled to be completed mid 1989. The Board of Assessors entered into a contractual agreement with M.M.C. Inc. of Chelmsford Massachusetts to determine the full and fair cash value of all real, taxable, and exempt properties. Prior to sending impact notices of proposed values, the Commissioner of Revenue will certify M.M.C.'s new values and work they performed.

Real estate sales and deed transfers have shown an increase, adding to the workload. Automobile excise tax billings have also increased in number, as well as the number of requests for abatements. The Commonwealth of Massachusetts Division of Recreational Vehicles is mandating the collection of excise tax on boats. This will be implemented fiscal 1989.

The computer equipment and software purchased last year is fully operational. We have automated the process of record keeping, tax billing, and accounting for both the assessors and collector/treasurer offices. With the purchase of valuation software, the assessors will be able to perform the next update, in-house, for Fiscal Year 1993.

We do see, as Hadley continues to grow, a need of a full time assessor. This position would help expedite all office and field procedures. It has been our intent to create an efficient assessing office for the citizens of Hadley. We feel, as a board, that we have accomplished this task to the best of our ability.

The Assessors' Office is open weekdays from 9:00 a.m. to 1:00 p.m., and Tuesday evenings from 7:30 p.m. to 9:00 p.m.

TAX RATE RECAPITULATION OF HADLEY

1. TAX RATE SUMMARY

AGRICULTURAL-HORTICULTURAL LAND
Chapter 61, 61-A & 61-B

The current lien values are as follows:

1980	\$ 3,404.88
1981	3,435.40
1982	3,508.50
1983	3,696.03
1984	32,401.76
1985	34,029.61
1986	46,095.48
1987	80,883.96
1988	125,604.90
1989	<u>132,659.84</u>
total	\$465,756.30

Currently 4670 acres of land are classified under Chapters 61, 61A, & 61B.

Full tax value	\$292,636.50
61, 61-A, & 61-B	\$159,976.66
Lien Value	\$132,659.84

Applications for Classification under the Agricultural, Horticultural program must be submitted to the Board of Assessors each year by October 1.

Report of the Highway and Water Departments

To the Honorable Board of Selectmen and Citizens of Hadley:

The following projects were undertaken and completed by the Highway and Water Departments in 1988.

Using Chapter 90, funding contracts 637 and 811, several roads were resurfaced. North Hadley Road, beginning at Roosevelt St. to the Amherst line, was oiled and covered using 3/8" stone. A tremendous amount of crack sealing was done prior to oiling to prolong the life of the road. Bay Road, from South Maple St to the intersection of East Hadley Road was overlaid with blacktop. Route 47 from Dywers Bridge to the Sunderland line was shimmed and overlaid with blacktop. Some shoulder and edge work was also done on these roads to alleviate drainage problems that had been experienced. A grant that was received by the Board of Selectmen for the rebuilding of Mountain Road was used. This project was put out to bid and completed in the late Fall of 1988.

The General Highway account was used in a variety of ways to improve town roads and drainage problems. With the cooperation of the residents on Comins Road, high shoulders were removed allowing for better drainage, especially in the Winter when standing water was a problem. I would like to thank those people for their patience in the completion of this task. Catch basins in the most needed areas will be built in the Spring of 1989. These will help to ease the drainage problems that might occur after a heavy rainfall. High shoulders on Rt. 47 from Stockbridge St to Dywers Bridge were also shaved. Shoulders on North Lane were also removed allowing for better drainage. General Highway was also used for oiling Crosspath Road and the shimming of Cemetery Road. Two leaching catch basins were built to contain the water from Cemetery Road where there has been a problem in the past. Meadow Street also had two new leaching catch basins built where water had been ponding. Various other catch basins were either repaired or converted into the leaching type where needed. One on Kennedy Drive, one on Frost Lane and one on Maple Ave were made into leaching catch basins. A problem area in North Hadley where water had been crossing the road and freezing was also fixed.

General maintenance was also performed on all town roads. This includes the painting of both yellow and white lines, cold patching

potholes, grading of dirt roads, installing snow fences, street sweeping, plowing and sanding of roadways. Repaving a total of 900 feet of sidewalks on Middle St. was completed. All catch basins in the town were cleaned by a private contractor with Highway Dept help.

The Forestry and Dutch Elm accounts were used for tree maintenance and a total of 35 trees were removed with the help of a private contractor. New trees were planted in the place of the ones cut. A section of trees on West St was also trimmed. Western Mass Electric Co. removed five (5) dead trees that were near power lines at no charge to the town. Various dead branches near sidewalks were also removed.

Ditch and Dike accounts were used for the cleaning of brush from ditches, to include the ditch behind Isabel Court and the ditch on Bay Road that leads to the river. Various culvert pipes were also replaced. Additionally, brush was cut along the West St. dike and repairs were made on a small section of the dike with riprap.

The Bridge account was used for the cleaning of brush and repairing of various guard rails along bridges. We have received word that a small bridge grant has been awarded to Hadley for the replacement of a bridge with a box culvert on Moody Bridge Rd. We hope to complete this project in the Fall of 1989.

The Road Machinery account allowed for the repair and maintenance of all Highway and Water Dept vehicles. Town meetings in the past year have approved articles for the new backhoe and dump truck both of which we have taken delivery this past summer. These new vehicles will allow the Highway and Water Departments to save time and money in repairing of water breaks and removal of snow. Also approved through town meeting was a new four-wheel drive pickup with snowplow. This piece of equipment will also aid in more efficient snow removal.

The Water Dept undertook and completed several projects. Using Highway and Water Dept personnel, five (5) fire hydrants and their associated valves were replaced. This resulted in a savings to the town as a result of using these personnel. The funds saved were used in the installation of a new water main in the vicinity of #87 West St. An additional hydrant was installed there to increase fire protection capability of the area. This new water main replaced the old 1 1/2" galvanized line that had been used for the two (2) homes there. New copper services were also laid to those houses. The Article money was also used for water break repairs. The department experienced a major water break on Route 9 by the MacDonald's restaurant which required outside equipment to be rented for digging through the 12" layer of blacktop to repair the split in the pipe. Painting of the Mt Warner water tanks, as provided for in last year's Town Meeting was completed in the Spring. A total of 16 new services were tapped by Water Dept. personnel for new homes and 3 others were inspected by Water Dept. personnel that were installed by private contractors.

A total of 277,396,000 gallons of water were pumped from the Mt Warner wells. A temporary water ban was put into effect by the Board of Selectmen on 15 June, 1988 due to the very hot and dry weather. This ban allowed an odd-even system of lawn watering. This type of water ban should be put into effect every year from 01 June through 01 September until water from the Callahan well can be used or a new source is found.

We are in the early planning stages in the development of a filtration system for use on the Callahan Well which is high in manganese. This should allow the Town to greatly expand its availability of usable water.

I would like to thank the residents of Hadley for approving the various articles mentioned which have helped to improve these department's ability to perform their assigned tasks. I would also like to thank all the town's employees, full and part time, who have helped to complete these tasks.

Respectfully submitted,

Michael James Klimoski

Michael J Klimoski
Highway and Water Superintendent

HADLEY HOUSING AUTHORITY

The Hadley Housing Authority was created for the purpose of providing housing for the elderly. It's powers, duties, etc. are defined in the provisions of Chapter 121B of the General Laws, as amended, which is known as the Housing and Urban Renewal Law. The Authority's office is located at Golden Court, Hadley and regular meetings are held the first Monday of each month and special meetings are held as needed. As of December 31, 1988 the Authority's administrative organization was as follows:

Members

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Joel Searle 245 Bay Road Hadley	Chairman	1992
Stanley Witkos 288 Russell Street Hadley	Vice-Chairman	1990
Louis Klimoski 59 River Drive Hadley	Treasurer	1991
Lorain Giles 58 Middle Street Hadley	Secretary	1993
Martha Little 145 Rocky Hill Road Hadley	State Appointee Assistant Treasurer	1989

Officer

<u>Name</u>	<u>Title</u>
Paul R. Petit	Executive Director

State Aided Housing Program

The Authority currently operates one state-aided housing program, a 667-1 project consisting of 40 units of housing for the elderly located at Golden Court Apartments.

Status Of Project 705-1 In Development

The Executive Office Of Communities And Development increased its funding to the Hadley Housing Authority to \$1,200,000.00 for the design and construction of 12 family housing units to be located at Golden Court Apartments on property owned by the Housing Authority. Having solicited bids for the design services,

the architectural firm of Davies and Bibbins, Incorporated of Cambridge, Massachusetts was selected. Though the project is still in the schematic design phase, the complex will consist of six duplexes. The twelve units will all be three bedroom apartments. One apartment will be a single story barrier-free unit for the handicapped. The completion date for the project is set for August 1990.

Status Of Modernization Program

The Hadley Housing Authority was notified of a \$67,310.00 grant from EOCD for modernization to the Golden Court Apartments to include the addition of insulated glass for all kitchen windows and the renovation of all kitchen cabinets and counter tops. After soliciting bids for design services, the architectural firm of Kitchell and Austin of Amherst, Massachusetts was hired. The work is scheduled for design and completion during the 1989 calendar year.

Report of the Town Housing Needs Committee:

To the Citizens of the Town of Hadley:

At the annual town meeting May 7 and 18 1987 article 12 was passed. To direct the Selectmen to appoint a committee to study immediate and long range housing needs for town departments. Our committee was formed meeting twice a month from sept-Nov. Our findings will not surprise the Town of Hadley.

Police and Fire

Our police and fire department are long overdue for adequate housing. We need a police and Fire station or communication center what ever it is to be called.

Highway

Storage shed is needed to store equipment plus an addition to present garage.

Town Hall

More Office space is needed Maybe office space can be made in conference room.

Water

Addition to Callahan pumping station to house more equipment needed for water treatment

Schools

Elementary School space needed. School doing complete report but we need room.

Our Committee would be happy to get costs work on plans but we have a problem. We have no land to build. No growth can be accomplished in the town of Hadley until the town has land to support this growth. A committee must be set in place to seek land.

We are sorry we can not sound more possitive on Town Housing we can not blame the past but must ~~think~~ of the future.

We are asking you at our annual Town Meeting to support an article appointing a committee to seek land for the Town of Hadley.

Respectfully Submitted:

John Allen, Chairman

REPORT OF THE HADLEY SCHOOL COMMITTE

To the Citizens of the Town of Hadley:

Following the 1988 town elections, Mrs. Joyce Chunglo joined the Hadley School Committee securing a three year term. In September, student advisory chairperson, Robin Sienkiewicz was welcomed to the committee. Robin, a senior at Hopkins, represents the student body as a non-voting member of the School Committee.

Hadley's pre-school for 3 and 4 year olds continues for another year. This program is made possible by an Early Childhood Grant from

the Commonwealth of Massachusetts. An active advisory council works long and hard with the facilitator and faculty to meet all state requirements. We thank all who volunteer in this program. A special thank you to the Trustees of Goodwin Memorial Library for allowing this program in the basement of Goodwin Memorial Library.

In the spring of 1988, Hopkins Academy completed a reevaluation for accreditation by the New England Association of Schools and Colleges. The high marks scored by Hopkins Academy have pleased all of Hadley and a greatfull thank you must go to the teachers and staff of Hopkins for a job well done. Members of the accreditation team left Hadley very impressed with the concern, interest and support Hopkins Academy receives from town organizations.

Each year town organizations support our school children with equipment, materials and awards. As this report goes to press, The Hadley Mother's Club is preparing a long list of gifts for our children. The students, staff and school committee is most appreciative.

The Booster Club continues to work to enhance our athletic program. The Hadley Men's Club donate their playing fields for our young athletes, as well as supporting our sports banquet along with special requests that come before them. The Lions Club sponsor speaking contests at Hopkins, and for many years have provided each sixth-grade student with a Webster's Dictionary. The PTO continues to publish the CHALKTALK, as well as recognizing teachers and students for accomplishments they well deserve. The School Improvement Councils at both the elementary and secondary level, meet regularly to give input in school needs and in making recommendations for expending Hadley's share of grant money under Chapter 188. We thank each and everyone of you who serve in this capacity and to all the clubs and

organizations for their support.

The Trustees of Hopkins Academy continue to support our students each year. Scholarships and many prizes are awarded at graduation. Funds are available for other purchases and department needs upon request. We are most appreciative for this generosity and continual support of the Trustees of Hopkins Academy.

A Health Education Program was added to the 1988-1989 school budget. Miss Cynthia Chamberlin joined our staff, working with administrators and teachers and working on health curriculum that will benefit all of us in the Town of Hadley.

With growth in the Town of Hadley increasing rapidly, the School Committee appointed a School Building Needs Committee in late June of 1988. The committee is to assess the present and future building needs in Hadley Schools. The committee formed three sub-committees:

1. Population Growth
2. Building Space
3. Structural integrity of School Buildings

A complete report is due in late February to the Hadley School Committee. We thank all who have served as members of this committee:

Carol G. Trane - Co-Chairman

Greg Mish - Co-Chairman

Margaret Freeman - Secretary

William Ahlemeyer

Theresa Campbell

Elizabeth Fydenkevez

James Maksimoski

John Silvestro

Richard Swaluk

The School Committee would like to thank our Superintendent of

Schools, Mr. Richard K. Sullivan, for his leadership and day-to-day operation of our schools. To our building principals, teachers and staff, a thank you for your extra time and energy in keeping our high standards in education. To our Town Boards both elected and appointed, we thank you for making education a top priority.

In closing this 1988 report, we wish to recognize a very special lady who retired from the Hadley School Committee after twelve years, serving as chairman for six of those years. Mrs. Carol Trane has given much of her time and energy in maintaining high educational standards in our schools.

Mrs. Trane's enthusiasm continues as she came forward this year to co-chair our School Building Needs Committee. All of Hadley is most grateful to Mrs. Trane and offer a sincere THANK YOU for all your hard work you have given to the children of Hadley.

Respectfully Submitted

Joyce A. West, Chairman

Christine Sweklo , Vice Chairman

Corrine Brennan-Dore

Richard Swaluk

Joyce Chunglo

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To The Citizens of Hadley and the Hadley School Committee:

I, herewith, submit my fourth Annual Report as Superintendent of Schools.

The declining enrollment trend in our elementary schools has come

to an abrupt halt and enrollment is now on the rise. Our K-6 enrollment of 303, as of October 1, 1988, shows a 50 student gain from one year ago which brings us beyond the 1982 enrollment of 295 students. The projections for the next several years indicate a continual rise in the elementary population.

Hadley is not alone with an increased elementary student population as many Massachusetts communities are experiencing the same situation. In order to assess our buildings and space needs, the School Committee appointed a Long Range Building Needs Committee which concentrated on student population trends, classroom space availability and educational environment and appropriateness of current programs in our buildings.

The final report of the committee will be issued in February, but preliminary indicators show student population growing, conservatively, in K-6 to over 500 by 1998, with inadequate classroom space to provide regular education, special education and auxiliary programs.

With regard to Special Education, the use of current facilities escalates special education costs as it is necessary to hire two special education resource teachers to serve Hooker and Russell Schools in order to be in compliance with state and federal regulations. If the elementary grades were housed in one building, it would be possible to make this one position.

Lack of space in Hooker School is a serious non-compliance issue at

this time. Chapter One, remedial reading, speech therapy and special education are all housed in the same space in the basement of Hooker School. It is not possible for all services to be provided in this space. Speech therapy, in particular, is frequently provided in very poor conditions on stair landings and hallways. There also is no space to provide a self-contained class when that is the appropriate recommended program. When students have moved to Hadley with an Individualized Educational Plan which required a substantially separate program, we have hired tutors to work with students in the classroom. This approach is very expensive and, in some instances, places an unreasonable burden on the classroom teacher and other children in the classroom. We have been fortunate, to this point, that through cooperation of parents, teachers and students, we have had success with this approach. It would be unrealistic, however, to expect this will always work. Due to lack of space, we have no alternative except to tuition such students to costly outside placements when it is possible to find such a placement.

It is currently necessary for the elementary principal to vacate her office on at least two days of the week so the school psychologist can meet with children at Hooker Elementary. In Russell School, the Administrator of Special Education moves out of her office at least one-half day per week. In both buildings, there is no space which allows privacy for meetings with groups of students or team meetings with parents or specialists.

Neither of our elementary school buildings is handicapped accessible. If a physically handicapped student required an educational program in Hadley, we would be mandated to make these buildings accessible.

During the past three years, over \$90,000. has been spent on a new boiler/burner, domestic hot water system, new and repaired roofs, electrical and heating upgrading and general building improvements. The Hooker School was built in 1921 with an addition in 1953. Russell was built in 1894.

We need new elementary school facilities and we must prepare now.

Our secondary space needs at Hopkins are very adequate at this time.

It is anticipated that the student population will continue to increase but not as rapidly as in the elementary schools. High school programs can absorb larger enrollments without adversely affecting the curriculum or classroom space.

The FY'89 School Budget (July '88-June'89) was approved at the Annual Town Meeting and reflected a 7.1% increase over the previous year. In addition, an Article for the replacement of the special education van was passed.

As we prepare to submit the FY'90 budget to the School Committee and Finance Board, we are aware of the financial constraints facing cities and towns, as well as the Commonwealth of Massachusetts. We are also cognizant of our obligation to the students of Hadley to provide the educational opportunities necessary for a full and enriched academic life.

Through the initiative of administrators, teachers and advisory councils, several grants were awarded to our school system including Early Childhood, Chapter I, Title II, several special education programs, Commonwealth In-Service Institute, School Improvement Councils and Horace Mann grants.

To the many individuals, organizations, advisory councils, clubs and businesses who continue to offer their support, contributions and gifts to

our schools and our students, I say thank you.

In closing, I wish to acknowledge the support and cooperation I have received from the School Committee, administrators, teaching and support staff, students, parents, town officials and municipal departments.

Respectfully submitted,

Richard K. Sullivan,
Superintendent of Schools

REPORT OF THE PRINCIPAL OF HOPKINS ACADEMY

TO: Mr. Richard Sullivan, Superintendent of Schools, the Hadley School Committee, and the Citizens of Hadley

The following is my second annual report as Principal of Hopkins Academy. The enrollment figures on October 1, 1988, were as follows:

GRADE	BOYS	GIRLS	TOTAL
12	17	12	29
11	17	16	33
10	13	23	36
9	20	27	47
8	15	19	34
7	<u>14</u>	<u>18</u>	<u>32</u>
Totals	96	115	211

Trustee Proposals

The Hopkins Academy Trustees continued their generous support of our school in 1988. In February, the Trustees donated \$7,000.00 to purchase a computer, printer, and the programs that have made it possible to do our own scheduling, grading, and attendance. Eleven college scholarships and many prizes were awarded at graduation in June. Two grants were approved in August; \$3600.00 for the social studies department to purchase

books for a newly focused global awareness course for tenth grade, and \$3200.00 for reference materials for the library. The beneficence of the Trustees is truly appreciated.

Other Special Gifts

The Hadley Mothers' Club donated a VCR, a microwave oven for the home economics department, a Personal Computer Viewer for the science department, Shakespeare video cassettes for the English department, and a one hundred cup coffee urn for the joint use of Hopkins and the Mothers' Club, which made many wishes come true. We thank the Mothers' Club.

The Athletic Boosters continued to support Hopkins athletes. Refreshments were sold at all home basketball and soccer games from the new Boosters cart built by President Norm Brown, and on February 11th, the Boosters again sponsored a mid-winter Basketball Festival for students and parents, followed by pizza and dancing for all participants and guests. They also donated new jackets to members of the varsity baseball team when they won the Western Massachusetts tournament. The class of 1988 purchased the services of local artist, Fred Wilda, for the painting of an incredibly lifelike "Golden Hawk" for the center of the gymnasium floor. The Hadley Arts Lottery Council donated \$250.00 toward the attendance of Hopkins students at "The Nutcracker Suite Ballet" sponsored by the Pioneer Valley Ballet in Northampton.

The Parent Teachers Organization continued to print its monthly newsletter, "Chalktalk," keeping parents in the community abreast of school activities and allowing the school to publicize the activities and accomplishments of its students and faculty. They again sponsored "Teacher Recognition Day" in late spring when they treated all staff members to breakfast and flowers. On the first day of school for teachers, the PTO sponsored a luncheon for staff members of all Hadley schools, which really started the year on a positive note. Parents have served on many committees

and have willingly chaperoned field trips and dances; their enthusiastic support is sincerely appreciated.

School Improvement Council

Continuing in the manner decided on in the fall of 1987, the School Improvement Council spent its remaining 1987-88 funds for field trips and assemblies. These included:

"Shakespeare's Players," assembly, the Loon and Heron Theatre of Boston

Marcel Marceau, famous French mime, field trip, Fine Arts Center of U-Mass

"Dr. Bubbles," the world of science in everyday experience, assembly for grades seven and eight

Tom McCabe, story teller, assembly for grades seven through twelve, and workshops with small groups of 7th and 8th graders. When additional funds were made available in the spring, the Council members chose to donate these funds to pay for a health consultant to do a needs assessment for the Town of Hadley. In September, the School Improvement Council voted to continue using its funds for assemblies and field trips, with some additional emphasis on self-awareness programs. So far this year, these have been:

"Top Forty," decision making multi-media assembly, 7-12

Chamber Theatre performance, short stories, field trip to Springfield

The members of the Council are: Janet Selavka, chairman; Denise Madenski, teacher; Catherine Perkins, teacher; Kathryn Seward, teacher; Judy Coffey, parent and secretary; Sandra Nowak, parent; Betty Thayer, parent; Carol Zgrodnik, community representative; James Earle, student; and Sheila Tedford, student. Programs

Two eighth grade social studies classes participated in a program called "Project Business" during the spring and fall semesters. This program, sponsored by Junior Achievement, included once a week lessons taught by an outside professional and gave students an opportunity to experience first hand business

practices.

Following a review of the social studies curriculum, K-12, a decision was made to adjust the tenth grade program so that all students now receive background in both Western and Eastern world cultures. This will prepare them for further study and give them a better understanding of the world in which they live.

Evaluation of the grade seven study skills program proved that it was effective. Therefore, the program was continued in September, to include all students in grades seven and eight. Lessons are being taught and reinforced in math, science, social studies, English, reading, and foreign language classes. Teachers in other grades and classes have used many of the skills with their students, also.

In the fall, plans were begun for a quiet, sustained, silent reading program for grades kindergarten through twelve. A committee made up of principals and teachers from both schools, parents, a high school student, and a school committee member has been meeting regularly. The result was Project H.E.A.R.T., "Hadley Encourages All Reading Today," which will take place in March, 1989. The main goal is to encourage leisure reading, and everyone will be reading at the same time daily.

Hopkins Academy's Evaluation

On March 20th to the 23rd, four administrators and nine teachers from other Massachusetts schools, representing the New England Association of Schools and Colleges, visited Hopkins Academy and evaluated the school's philosophy and objectives, curriculum, facilities, staff and administration, special services, and community support. The committee used the self-evaluation that had been prepared by the staff of Hopkins, during the course of a two year study, to judge the school. In September, word was received that Hopkins Academy has had its accreditation continued as a result of a review of the committee's report. The report of the visiting committee is on file at the Town Hall, the Town Library, and in the school office

and may be borrowed by anyone who might be interested. Many people in town participated in the review, and I wish to thank them for their support and assistance.

Activities and Recognition

In January, senior Jennifer Mushenski won the first annual Lion's Club Speech Contest with her fine speech on "My Community, Yesterday, Today, and Tomorrow." The Lane Prize Speaking Contest saw eighth grader John Russell win the junior high prize, and senior Beth Gurecki win first and sophomore Terri Ciaglo win second prize for the high school.

In February, senior Mark Barstow received the first area-wide Martin Luther King Award and was recognized at a celebration at Amherst Junior High School to mark the birthday of Martin Luther King. "Spirit Week" took place from February eighth to the twelfth, and students competed by class and homeroom each day. Much school spirit was aroused!

The Hopkins Academy Band marched in the St. Patrick's Day parade in Holyoke on a cold day in March. Two members of the band represented Hopkins at the District Band festival, eighth graders Mark Nowak and Aaron Muller. Chorus members who attended District Chorus were seniors Pam Putnam, Diane Kieras, Jennifer Mushenski, Mark Barstow, and Jennifer Wentzel, sophomore Chris Parker, and freshman Kristin Barstow. Mark Barstow was also selected for All-State Chorus participation.

In April the Seniors presented another successful play; this year it was "Harvey," and the big white rabbit and his friends were a smash hit with all who attended. Sixth grade parents and students were "oriented" to Hopkins Academy in April, and the new computer was used to print report cards and begin the scheduling process for September.

This year's junior prom was held at Hickory Ridge-Country Club, and Julie Holden was crowned queen. The spring concert on May 22nd again highlighted the talents of teacher Edward Forman, as he extracted fine musicianship from our chorus and band

students. The art students displayed their best creations in the town library from May 16th to the 20th, and all who attended were impressed by the ability of teacher June Stasack to encourage such fine art work. Several art students were recognized at various art shows this year, and juniors David Mieczkowski and Tami Williams attended the All-State Art program in June. In May, a group of Kathleen Masalski's ninth grade government students testified in Boston for a legislative proposal they made through Representative Shannon O'Brien concerning the work hours of fourteen year olds. The National Honor Society Induction in May saw seniors Mark Barstow, Jayde Campbell, and James Mieczkowski, and juniors Mary Carney and Carla Peabody installed as new members.

Seventh grader Jeremiah Kermensky and eighth grader Susan Wojewoda participated in the first Daily Hampshire Gazette Spelling Bee in June, and Susan was crowned regional top speller by the newspaper. Sophomore Karen Grader presented a paper in Washington, D.C. for National History Day in June, following her win in the Massachusetts contest. Juniors Robin Sienkiewicz and Peggy Scoville attended the American Legion Auxiliary Girls' State program at Elms College, while juniors David Mieczkowski and Paul Kokoski were selected to attend the American Legion Boys' State.

In August, the Hopkins Academy graduating class of 1938, following their 50th reunion, planted a tree on the north side of the school as a tribute to their class.

The Hopkins Academy Marching Band played at the Eastern States Exposition on September 14th. The first round of the Lions' Club Speech Contest was held in October. Participants were juniors Terri Ciaglo and Chris Parker and senior Mary Ruth Warner. Mary Ruth, as winner, continued to compete in zone, district, and regional contests. Mary Carney was named the Century III Leader from Hopkins for 1988; she was also presented with the Superintendent's "Academic Excellence" award and was

selected as a Commonwealth Scholar.

In November, twenty members of the ninth grade class appeared on television and took part in a debate on election issues as part of a program called "Government Youth Vote." The National Honor Society, led by members Carla Peabody and Mary Carney, and advisors Rose Baj and Catherine Perkins, inducted new members, seniors Robin Sienkiewicz and Peggy Scoville, and juniors Ginny Boisvert, Karen Grader, and Chris Parker. The social studies department, with teachers Peter DeMello and Ellen Corcoran, held the first annual social studies fair, where eighth grade students won prizes for individual and group projects, papers, and presentations.

The school newspaper, the "Hawk's Claw," was reborn with its first issue printed just before vacation in December. The bands and choruses entertained a large audience at their winter concert on December 18th. International Day was held in December, with skits performed by each foreign language class for fellow students, followed by the breaking of pinatas and a feast of foods from many countries.

1988 was a banner year for athletics. The girls basketball team tied for second place in the Franklin County League with a record of 16 wins and 4 losses. After defeating Gateway Regional 47-42 in double overtime in the quarterfinals, the girls lost in the semifinals to Frontier Regional, 49-35. Members of the team, coached by Richard Berger, were Bridget Byron, Jean Jekanowski, Mary Carney, Brenda Dorrell, Carla Peabody, Larissa Campbell, Kate Kelley, Sharon Galvin, Kathy Jekanowski, and Linda Kieras. The boys basketball team also qualified for the Western Mass Tournament with a 12-8 record, but lost the quarter final game by five points to St. Joseph's of Pittsfield, who eventually won the state championship. Team members David Barrett, Jeremy Brown, John Earle, Peter Matuszko, Brian West, Keith Wilda, Tim Bishko, Bill Kelley, Joe Turner, and Chris Parker were coached by Marty Sanderson and assistant Fred Ciaglo. David Millett, Gary

Glazier, and Byron Joy qualified at the Western Mass wrestling tournament and represented Hopkins at the State meet.

The girls softball team, with a record of 16-4, defeated Lee 3-2 in the Western Mass quarterfinals, but lost to McCann Tech in the semifinals, 10-7. Coached by Jackie Swist, team members were Jean Jekanowski, Diane Kieras, Karen Lynch, Kristi Schabaker, Katy Vachula, Mary Carney, Brenda Dorrell, Carla Peabody, Ginny Boisvert, Terri Ciaglo, Amy Barrett, Kris Ciaglo, Sonja Goralski, and Kate Kelley.

Finishing third in the Hampshire League, with a record of 11-5, the boys baseball team, coached by Jim McNally, went all the way to win the Western Mass Tournament, defeating Palmer 10-5, Putnam 12-6, and the championship game against Belchertown 6-4. In the state semi-final game they were defeated by St. Bernards 8-1. Members of this champion team were David Barrett, Jeremy Brown, John Earle, Brian West, Bill Kelley, Jamie Jekanowski, Jeremy Nuttleman, Jason Falcon, Chris Parker, Todd Ansaldo, Pat Earle, King Haswell, Keith West, and managers Tim Bishko and Joe Turner. David Barrett was named the Division III Most Valuable Player.

The girls soccer team, finishing 13-2-2 in regular season play, qualified for the Western Mass tournament and defeated Pioneer 7-0 in an elimination game. They then were defeated 2-1 by Lee High in the quarter-finals. The team members, coached by Elaine Goodhind, were Mary Carney, Brenda Dorrell, Carla Peabody, Ginny Boisvert, Carrie Byron, Terri Ciaglo, Angela Russell, Bernadette Burak, Larissa Campbell, Kris Ciaglo, Rebecca Fil, Sharon Galvin, Kate Kelley, Kathy Jekanowski, Linda Kieras, and Jennifer Fil.

Maintenance

Prior to the school evaluation visit in March, Mr. Sousa and members of the Industrial arts classes mounted the athletic plaques that had been in the trophy cases outside the gymnasium and attached them to the wall in the same area. Junior Karen

Grader printed new fire drill signs, which had been prepared by the graphic art students, for each classroom. In the summer, a new rug was purchased and installed in the home economics room.

In Appreciation

My second year at Hopkins Academy has been one of learning and growth for all of us. I'd like to thank the staff, students, members of the community, and Mr. Sullivan for help and cooperation throughout the year, but especially during our evaluation in March. The support of so many groups in Hadley is appreciated.

Respectfully submitted,
Janet S. Selavka
Principal, Hopkins Academy

To: Mr. Richard K. Sullivan
The School Committee of the Town of Hadley

I am pleased to submit my first annual report of the Elementary Schools of Hadley for the year 1988.

The elementary enrollment as of October 1, 1988 was as follows:

Hooker Elementary School

Grade K	61
1	47
2	41
3	42
4	33
Total:	224

Russell Elementary School

Grade 5	38
6	41
Total:	79

Total Elementary Students: 303

Our enrollment of 303 students represents an increase of 51 from the 1987 total of 251. The largest increases were in the kindergarten and grade 1 levels.

Grant Programs

In January of 1988 the elementary staff began work with Dr. Barbara Fischer, an early childhood consultant hired to assess the curriculum in our pre-school through grade 3 program. After extensive observation, interviews and workshops with the faculty and administration, Dr. Fischer presented her report to the School Committee in May. The staff has worked with many of the recommendations since the fall, and continues to assess the program being offered to our young students. With the continued funding of this grant in the fall of 1988, the kindergarten room was renovated and extended to include the "annex" room and connecting hallway. Many new materials and equipment were purchased, and our program is becoming a developmentally appropriate model as outlined by state guidelines. It has been an exciting year of change in the kindergarten.

The elementary schools had the opportunity to work with Rene Theberge, a health curriculum consultant as he assessed the needs of the school and community in

this important area. As a result of his work, a new position of Health Teacher was established for the entire district, and Mrs. Cynthia Chamberlin Carbone began work with us in the fall.

Elementary staff also participated in a Commonwealth Inservice Grant focusing on English as a second language in the spring of 1988. Current state and federal guidelines were presented and discussed and projections of needs made for the future.

Special Gifts

The Hadley P.T.O. supported improvement of our playground facilities with the purchase of new swing seats and the upkeep of the play structures at both Hooker and Russell Schools. Meetings provided forums for discussion of discipline policy, the language techniques for the early grades, the new report cards, and reorganization of the group's activities. Chalktalk continues to be a valuable communication tool between the schools and community.

The Mothers' Club of Hadley donated an extensive array of materials to the elementary program. Hooker School received a color television, games for recess, four sets of wooden blocks made by Mr. Alan Jacque, supplemental books for classroom reading, and a projection screen. At Russell School, items purchased were an electric typewriter, a full Commodore computer set up and merit incentive prizes for the reading program. We are all greatly appreciative of the interest and care the Mothers' Club shows toward the children of Hadley.

School Improvement Council

A combined elementary school council provided a variety of special programs to the elementary children. They included: "Zoomer" who spoke to Grade 2 about the proper procedures in medical emergencies; Stephen Michael Harris, children's author and comedian; The Mole End Puppet Theater, presenting "Prime Time in Egypt"; The Enchanted Circle Theater, performing Japanese Folktales; and two trips to the Mt. Holyoke Children's Theater. Also provided were programs to and from the Hitchcock Center in Amherst and a Learning Centers workshop for staff and parents.

When additional state funding was received in February, the council purchased a color television, a basketball backboard and hoop at Hooker School, playground balls and VCR tapes, and plans for landscaping at Hooker School.

Programs

During the spring of 1988, a variety of new techniques for presenting information, as well as additional subjects, became a cause for discussion. Critical and creative thinking skills, study skills, "whole language" techniques, writing process skills, and health issues were being introduced in many forms in addition to the full range of the core curriculum.

The In-Service Committee has attempted to extend the interests of the staff by offering professional development in these areas, but we agree that the key to providing continuity to these programs is by integrating them into our current curriculum. With the help of consultants, the teachers have worked to identify practices and programs they already present, and extend them where appropriate. While our core educational objectives in reading, arithmetic, language, science and social studies remain constant, our teaching techniques and individual strengths are being enhanced.

It is an exciting time for us at the elementary schools as the staff works to meet the needs of increasing numbers of students, the constraints of limited space to expand, and the challenge for professional growth.

Maintenance

Through grant funding and careful budgeting, the elementary schools saw improvement in the physical plant this year. The kindergarten and annex were

painted, the hallway carpeted and drapes replaced by the Parks and Recreation Department. Painting was done in four classrooms and the Teachers' Room at Hooker School. The front stairs of Hooker School were repaired and the counter tops in grades one and two were rebuilt. Boiler work was completed at Hooker School during the summer, as was extensive roof repair and renovation at Hooker School and at the Old Gym.

Building Needs

The School Committee appointed a School Building Needs Committee to assess the present and future needs of our school buildings. Our elementary enrollment is projected to increase consistently each year, and we are already cramped for educational and storage space. Research has shown the need to maintain small class sizes for the optimum educational growth of children. This, and the safety of our children, should be the primary goals when looking at space options.

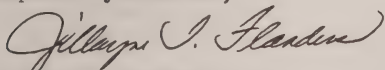

We are involved in a critical period of long range planning for our schools, but we must not lose sight of the immediate needs of the children currently in school.

Acknowledgements

I wish to thank all of you who have shown such warm acceptance and support for me this past year. I am proud to be working for the children of Hadley and I look forward to the varied challenges the schools face. I particularly wish to thank Mr. Sullivan for his guidance, my faculty and staff for their help as I began to work with them, and Mrs. Anne Finck and Mrs. Janet Selavka for their continued guidance.

But most important of all, I thank the 303 children who I try to see each day, who laugh at my bad jokes and take the time to say "Hi" in the halls. You are who we are working for.

Respectfully submitted,

REPORT OF THE POLICE DEPARTMENT

To the Citizens of Hadley and the Board of Selectmen:

During 1988 the Hadley Police Department experienced another consistant year. In July, Chief Richard Grader stepped down as the Chief of Police. I wish to thank Chief Grader for all his efforts in improving the department while he was Chief.

Although the number of calls for service decreased during 1988, the nature of the calls have been more serious. A notable decrease was found in the number of vehicle accidents during the year. This can be attributed to enforcement by patrols in the problem areas of the town. The Police Department has further responded with the use of radar to areas of the town from input by the citizens to curtail speeding in those areas. Approximately 1769 citations were issued by the department in the past year. This contributed to the \$ 80,335.00 in revenue returned to the town by the police department.

We have continued to combat the rate of stolen vehicles in the town. During 1988 we met with representatives from the area malls and the National Auto Theft Bureau to combine our efforts. The results proved to be successful.

As the town showed a substantial increase in growth, especially on Rte 9 during the past year, the police department is attempting to meet the demand of an increase' of services. During 1988, an additional full time officer graduated from the Worcester Police Academy to bring the compliment of full time officers to two on active patrol. An additional full time officer remains on light duty status. The remainder of th~~e~~ work load is performed by the part time officers. We look forward to adding full time officers to bring the original full time complement back to three or more as it had been in the past.

As the demand for service from my officers rises, they continue to function from very cramped quarters. As the

entire police department operates from two small rooms, we need to plan for the future for a larger facility. A small working area also presents a risk to my officers in such incidents such as handling prisoners etc. As the population climbs, the town may soon be mandated to have their own police lockup. This will mean that a new building will be needed in the near future. However, the police department will continue to serve the town and the citizens to the best of its ability in an effective and professional manner.'

In closing, I wish to thank the dedicated members of my department and the citizens of Hadley for their support during 1988.

Respectfully submitted

Lt. Dennis J. Hukowicz
Acting Chief of Police

TOWN OF HADLEY
OFFICE OF THE FIRE CHIEF
42 WEST ST. • HADLEY, MASS.

To The Citizens of Hadley & Board of Selectmen:

I hereby submit my annual report for the year of 1988.

The Hadley Fire Department answered a total of 149 calls during the year of 1988.
The following is a breakdown of alarms answered:

Chimney	10
Bomb threats	2
Brush	46
Mutual aid	2
Washdown	3
Fire investigation	2
Fire alarms	1
Oil burners	1
Smoke investigations	3
Ruptured sprinkler	1
Vehicles	12
Electrical	8
Motor vehicle accidents	13
Structure	9
Wood stove	1
Miscellaneous	28
False alarms	4
Boat accident	3

This year at the Town Meeting we will be asking for money to remodel the front of the north station, which will include electrical work, front roof and new doors.

The 1961 Seagrave will be up graded by April of 1989, which will include body work, transmission and several other small items. This will be paid from money we received from 1988 Town Meeting Article.

In 1988 we had several men attend the fire fighting school in New Hampshire and attended calsses in several phases of fire fighting.

In closing I would like to thank all the men that responded to fires during the year 1988.

Respectfully submitted,

Bernard J. Martella
Bernard J. Martella
Fire Chief

Report of Board of Health

Citizens of Hadley:

Due to the changing times and growth of the town, residents must look to the future and decide what is best for everyone and not just for oneself individually. There shall be growth and with it comes demands on services and issues on the health and safety of the town.

Residents are urged to recycle paper, glass and metals. Every pound that is recycled means less to be hauled away to be buried in a landfill, thus helping to keep the cost of Permit Stickers for the Transfer Station from large increases. The contract with Duseau Waste Industries for use of the Transfer Station expires on June 30, 1989. The Selectmen and Board of Health are discussing with Duseau Waste Industries for a renewal contract of five years. IN the very near future the voters of Hadley shall be voting on whether Hadley should join Amherst, Belchertown, Pelham and Leverett to form a Regional Landfill District.

Percolation Test periods and Deep Hole Observations Test Holes for Subsurface Disposal of Sanitary Sewage are March 1 thru May 31. All tests shall be witnessed by the appointed agents of the Board of Health during this time period only. Appointed to do observations and Inspections of Title V are John Banash and Victor Cendrowski. Any one requiring a test should contact the person to arrange the day and time for the tests. Fees are to be paid at the time of the tests which is \$25.00 per test.

Permits issued for 1988: Food Establishment-71: Disposal Installers Works Permit-10: Catering-2: Milk-37: Sunday-55: Bakery-5: Ecology Cans-3: Common Victuallers-2: Removal of Offal and Garbage-6: Motel-7: Massage-1; New Home Septic Permits-17;

Communicable Diseases-Salmonellosis-1; Hepatitis-1; Meningitis-1 and Animal bites-4.
Appointments: Public Health Nurse-Patricia Osip;; Plumbing Inspector-Peter Salvator;; Alt. Plumbing Insp.-John Moriarty;; Animal Inspector, Marilyn Koehler;; Death Certificate Agent-Joanne Devine;; and Title V Agents_ John Banash and Victor Cendrowski.

The Board of Health thanks all Town Employees and Townspeople for their help during the past year.

Respectfully,

Alfred Szarkowski. Chm.

Louis P. Klimoski

Edward J. Walczak

Board of Health

REPORT OF THE SEWER COMMISSION

DEAR BOARD OF SELECTMEN AND TOWN RESIDENTS:

In 1988, the new Wastewater Treatment Plant was completed along with the Hawley Road Mount Warner Project. A good percentage of the houses were tied in during the year. The remainder must be done by July 1, 1989. The wastewater employees did routine preventative maintenance on all equipment and everything is working well.

Respectfully submitted,
Richard J. Waskiewicz, Chairman
John Pliska
Richard Wilda

Report of the Electrical Inspector

To the Honorable Board of Selectmen:

I hereby submit my annual report for 1988. The sum of \$2455.00 was received for permit applications. A total of 106 applications were filed for the following work:

73 Residential
32 Commercial
1 Farm

An average of two inspections are required per application.

Respectfully Submitted,
Alexander J. Bielunis
Electrical Inspector

REPORT OF THE PLUMBING AND GAS INSPECTOR

To the Honorable Board of Selectmen and citizens of Hadley;

I hereby submit my annual report for 1988.

A sum totaling \$2585.00 was received by the Town Treasury for the following permits:

Plumbing Permits	(57)	\$2154.00
Gas Permits	(23)	431.00

Plumbing Permits were issued to the following:

New Homes	28
Remodelings	13
Businesses	16

At least two inspections are required for each permit issued.

Respectfully submitted,
Peter P. Salvatore
Plumbing & Gas Inspector

REPORT OF THE BUILDING INSPECTOR

To the Honorable Board of Selectmen

A total of 162 permits were issued in 1988. The sum of \$31,598.02 was received for fees.

Timothy Neyhart
Building Inspector

1988 CIVIL DEFENSE DIRECTOR'S REPORT

Dear Citizens:

1988 has been a very uneventful year for the Civil Defense Department - and that's good!

I am still pursuing standby emergency power for the Communications Center; hopefully it will be in place this summer.

I hope 1989 will be as uneventful as 1988 for the Town of Hadley and all its citizens.

Respectfully submitted,

Edward J. Dudkiewicz

Edward J. Dudkiewicz
Civil Defense Director
Town of Hadley

TO: THE HONORABLE BOARD OF SELECTMEN

FROM: THE VETERAN'S AGENT

THIS YEAR THERE WERE NO CLAIMS FILED FOR FINANCIAL AID, ALTHOUGH, MANY REQUESTS WERE MADE AND RENDERED IN OBTAINING DISCHARGE PAPERS AND OTHER MILITARY REC-

ORDS. IF ANY VETERAN OR THEIR DEPENDANTS IS IN NEED OF ASSISTANCE PLEASE CONTACT THE VETERANS' SERVICES AT OUR TOWN HALL.

AGAIN, I WOULD LIKE TO THANK THE TAXPAYERS AND OTHER TOWN OFFICIALS WHO HAVE HELPED OUR VETERANS.

RESPECTFULLY SUBMITTED,

ALEXANDER C. MOKRZECKI
VETERAN'S AGENT

To The Board of Public Health and the Residents of Hadley?

My 1988 report begins with a thank you to Reverend Giles and the First Congregational Church for their donation of a wheelchair to our Loan Closet. Eleven families took advantage of our medical equipment this year. Wheelchairs, walkers and commodes are the most used items. For more information on borrowing equipment, just call me and remember, donations are always appreciated.

The flu clinic was held in November this year due to a delay in the production of the vaccine. In spite of the delay, over 170 attended the clinic and 22 patients and staff at Shady Lawn were treated. The Board of Health and I wish to extend our appreciation to the following people who helped make this day successful, Violet Peltz, Chris Orlen RN, Delores Conway RN, Lauri Osip and Dr. Peter Betjemann. The vaccine used is from the Department of Public Health and the population targeted for the vaccine are people with chronic diseases and those age 65 and older. Residents interested in receiving the flu vaccine for 1989 should mark their calendar in October to remind them to contact me for more information.

Six hundred and fifty home visits were made this year. Visits are made to patients from referrals by a doctor, the hospital or a family member. One

hundred and ninety phone calls were received. This total does not include calls made by me to physicians and referral agencies. The average number of patients I see monthly is 31.

What is your cholesterol level? This has become the million dollar question. Many scientific studies have demonstrated that individuals with elevated cholesterol levels can reduce their risk of Coronary Heart Disease (CHD) by lowering their serum cholesterol levels. It is expensive for a small community like Hadley to provide Cholesterol Health Screening itself. I have joined with Amherst, Pelham and Northampton and presented a proposal to Highland Valley Elder Services, Inc. for the purchase of machinery to monitor cholesterol levels. If the proposal is accepted, the four communities would share the machine making testing available to citizens at a very minimal cost.

Taking Control is a theme used by the American Cancer Society to increase consumer health awareness of risk factors and lifestyles associated with cancer. Individuals need to take advantage of the clinics sponsored by the Hadley Council on Aging and the Public Health Nurse. Thirty residents were screened this year for Colorectal Cancer and I will repeat this screening again this year. I want to encourage people 40 years old and older to participate. Remember, Colorectal Cancer found early and treated promptly is regarded as highly curable.

My goals for 1988 were interrupted due to illness in my family so this year I hope to hold the health promotion programs and activities I planned for last year.

Many people call the Council on Aging looking for the nurse. I can be reached at my home phone number and please if I'm not there leave a message.

Finally, to the members of the Board of Public Health, thank you for your continued support.

Respectfully submitted,

Patricia L. Osip, RN

HADLEY CONSERVATION COMMISSION

TOWN HALL • HADLEY, MASS. 01035

REPORT OF THE CONSERVATION COMMISSION

1988

TO THE BOARD OF SELECTMEN AND THE CITIZENS OF THE TOWN OF HADLEY: During 1988, the workload of the Commission continued to increase, especially in the area of the state Wetlands Protection Act. This law requires a Conservation Commission permit before any wetlands, banks of streams, or floodplains can be altered. The Commission held twenty hearings under this law, as well as an even larger number of site visits and informal discussions. It is more evident every year that, if we are to issue fair permits which protect the environment and will stand up, if necessary, if our decisions are appealed to the state, we must have expert scientific advice. In many cases, applicants under the law volunteer to help us get such advice. However, if they do not, we must be prepared to hire our own consultants. Therefore, the Commission has requested a modest budget increase for this purpose.

The Commission continued to work in other areas as well. Michael Pewatka, the Land Acquisition Coordinator, continues to work on the voluntary purchase of development rights on land over the major town aquifer. The most important parcels have been identified, and the owners contacted. Town meeting has approved expenditure of the state grant. This is a good time to protect our drinking water, to the benefit of the town and the landowners as well. Of course, this state money, as well as the bond issue for acquiring open space and the "APR" funds, are all tied up in the current state fiscal problem. We can only hope to get some of the money we need in the coming year.

The Commission also worked with the planning board on developing an amendment to the town bylaws which requires that building lots approved by the planning board contain enough "uplands" so that we can keep most of the work out of the wetlands. Town meeting passed this amendment in the fall.

The Conservation Commission meets on the third Tuesday of each month at the town hall. The time of the meeting is posted on the bulletin board. Notice of wetland hearings are published in the Gazette a few days before each meeting. All

our meetings are open to the public. The Commission appreciates the help and support it receives from the officials and the staff of the Town.

Respectfully submitted

REPORT OF THE COUNCIL ON AGING

To the Honorable Board of Selectmen, Selectwoman and Citizens

During the year 1988, the Hadley Council on Aging offered sixty and over in this community, services that intended to meet the needs of this population and to improve the quality of life for these persons by providing means by which they could remain active and independent in the community. The services included transportation, information and referral, health clinics, educational programs, volunteer opportunities, leisure activities and other human services. The C.O.A.'s purpose is to assess the needs of the 60 and over population and to net work with and develop elder programs that address and advocate for these needs as well as to increase positive awareness of this population.

Program and Activities

Transportaion - Providing free van transportation is one of the most frequently used services that the C.O.A. offers. In the beginning of transportation, it was solely used for the Meal Site only, then as years passed on they added Shopping, Doctors and Hair appointments. The C.O.A. provided 5,500 units of transportation to 200 senior citizens by transporting them to various appointments. With the P.V.T.A. Van and it's lift we are allowed to take handicapped senior citizens being a great advantage for the Council on Aging. All persons 60 and older should arrange to use these services. We thank Agnes Scanlon, our Highland Valley Elder

Services Senior Aide and Edward Walczak, our Town employee for providing committed services as our Van drivers.

Meals and Nutrition

Congregate Meals - Highland Valley Elder Services, Inc. provide a daily congrega-
te lunch available to people 60 and older. The nutrition site is located at
the Golden Court community Hall. Home delivery may also be available for those
who for certain reasons cannot come to the Nutrition Site. This year H.V.E.S.
served 5,000 plus meals to over 35 senior citizens. Every senior citizen is en-
titled to participate in this program. We thank Violet Peltz, H.V.E.S. nutrition
site director and volunteers Agnes Scanlon and Doris Molitoris for their community
contribution in helping to serve the meals.

BROWN BAG

This project offers a bag of groceries to each senior household once a month
by the Western Mass. Food Bank Food for the Elders Program - 175 households par-
ticipated in the program. Participation in the program is subject to income
eligibility guidelines. Many thanks to the Volunteers (we cannot give all of the
names but you know who you are) who give of their time on distribution day every
Third Thursday of each month.

Health Program

Blood Pressure Clinic - are held the First Friday of each month (except for
July ;and August). More than 70 people participate each month and hope more
will follow suit. We thank Twega Fill for her services each month to record
The Blood Pressure and Pulse, we could use other volunteers like Twega. Not to
be out done our appreciation to the Town Nurse Patricia Osip plus the assistance
of Nellie Frankevich and Sophie Filkoski who have done the Clinic.

Sugar Glucose Clinic - this is done the Second Wednesday of the month. We are
still under capacity for senior citizens - all seniors should come to be tested.
Diabetes is perhaps the most serious disease, it can come on at any time of your
lives. Perhaps all of us have a fear of finding out. Special thanks to Patricia
Osip for services rendered.

Hearing Test Clinic - As with previous years there were very few that participated.
These tests are FREE and should be tested especially for Senior citizens.

Eye Clinic - This is the first time since I have been here that we have had an eye screening. Thanks to the Community Eye care a special Van came to Golden Court. On October 9, 1988 we had around 50 senior citizens participating. There were some senior citizens that were offered additional services. The C.O.A. were pleased at the turn out. The C.O.A. obtained coverage on Television from WGBY Channel 57 for a week prior to the Clinic.

Energy - The Hampshire County Action Commission provided training to the Program Coordinator to do intake for those interested applying for Fuel Assistance. The Fuel Assistance Program also provides the C.O.A. Office with energy conservation information to offer residents.

Income Tax Service - There were 30 senior citizens that were helped with the assistance of John Aldrich - a volunteer from the American Association of Retired Persons. Our special thanks to John Aldrich who as usual did a tremendous job.

Hadley C.O.A. Newsletter - A monthly newsletter is the major source of information for all programs to Hadley residents 60 and older. The Senior Citizen Publishing, Inc. for printing the Newsletter for the twelve months and the D.E.A. giving us the monies for postage to send the Newsletters out. The C.O.A. mails 665 or more as each one reaches 60 (some labels having more than one name).

Leisure Services

Crafts - Classes were held every Monday afternoon (except June, July & August) Thirty two participated at each session. Funds for the instructor are given by H.V.E.S. Community Grant Awards. We thank Mary Gurecki for her undertaking. In September with Mary Gurecki leaving we finally found Twega Fill who took over for the remainder of the year.

Oil Painting - our thanks to Sharon Harper for instructing the Class. In September we were caught short of an instructor - thanks to Mary Hitchcock with short notice came in to teach and is doing a marvelous job.

Bingo - The Bingo games are held on Tuesday (except parts of June, July and August. Our many thanks to Rosario Beaudoin (who is still a lifesaver) also Verna Lacopa who substitutes for Rosario leaving me to do the Office work.

I wish we could offer more programs but with no Senior Center it's impossible.

The C.O.A. has been trying to get a place. But thanks to the Housing Authority we are allowed to have there facilities.

Funding

The C.O.A. operates its programs on monies appropriated through the Town, Dept. of Elder Affairs, Highland Valley Elder Services, P.V.T.A. We thank these resources for their support.

Community Networks

The C.O.A. participates in the Western Massachusetts Association of Council on Aging, M.C.O.A. and a community focal point for Highland Valley Elder Service. The Chairman and the Program Coordinator provide a network with H.V.E.S. so as to remain informed of community elder services.

Volunteers

There are a numerous amount of volunteers who participated in the above Programs. This year the Salvation Army under the direction of R.S.V.P. donated dolls to clothe them. Upon completion they were sent to Boston to be judged. Honorable Mention was given to Bertha Baranowski also included were Jane Underwood and Nellie Frankevich. Hats, lamp throws, Afghans, etc.

In conclusion, the member of Hadley Council on Aging wish to thank the Board of Selectmen and Selectwoman, and all other Town Departments for their cooperation for making the C.O.A. a success. Thanks also goes to Paul Petit and other members of the Housing Authority for use of the Golden Court Community Hall for its programs.

ZONING BOARD OF APPEALS

TOWN HALL • HADLEY, MASS. 01035

To the Honorable Board of Selectmen:

The Zoning Board of Appeals hereby submits its annual report of the year ending December 31, 1988.

The Board received a total of 28 petitions for the year of 1988. This was an increase of 9 petitions over the previous year. The Board granted 18 petitions, denied 9 and 1 was withdrawn. As in past years the Board has received full cooperation and assistance by several units of town government; in particular, the Hadley Conservation Commission.

Secretary,

Jeanne M. Stolarski

Respectfully submitted,

Richard J. Fydenkevez
Victor J. Cendrowski
Joanne I. DeLong

REPORT OF THE PARK & RECREATION COMMISSION

1988

The Hadley Park Commission enjoyed a year of increasing enrollments in all of our programs offered to the citizens of Hadley. We were able to do this with help from the George Edwards Fund. By using the interest money from this fund, we are able to buy the fuel needed to keep the Old Hopkins Gymnasium open and therefore have a place to run our program as well as keep the elementary physical education classes in the Old Gym.

Our summer camp was held from July 11 - August 19. Laurel Moore of Hadley returned as Camp Director this year for the pre-k through 4th grade held at the Old Hopkins Gym. Campers participated in various activities such as arts and crafts and sports as well as having special in-camp events and the annual camp picnic at a local park. We also went miniature golfing and bowling once a week.

Once again, a bus took campers to the YMCA in Northampton twice a week for swimming lessons. Local Hopkins Academy students as well as students from outside the community were our camp counselors. We are very fortunate to have Laurel, who is an elementary school teacher, return again this year.

Monica Boucher was back for her sixth year as Camp Director for the 3 and 4 year old camp held at the Hooker School Kindergarten Room. This six week program was once again filled to capacity. Monica had Beth Kelley and Kristen Kicza back again this year as well-qualified assistant counselors. Both the K-4th grade and the pre-school day camps met each day from 9:00 am - 12:00 pm for six weeks.

In September, our soccer program was held. Local people from the community helped coach as did the Hopkins Academy varsity girls and boys soccer players. We had over 50 children in grades K-6 attend.

In November, our men's evening basketball program began and continued twice a week until April. Ron Blajda of Hadley was in

charge of this program that usually has 20-25 men playing the entire season.

Also offered this year was coed volleyball. Phil West of Hadley organized this program which continues to fill the gym twice weekly.

Once again we, along with the Hampshire Regional YMCA, offered an aerobics class two nights a week. We have seen an increased enrollment this year.

The Youth Basketball Program began on Saturday, January 28th and continued for 6 weeks. This program was for girls and boys in grades 2-6. They practiced the fundamentals of basketball and played each other's teams. We are fortunate to be able to use the new Hopkins Academy Gymnasium for this program, as well as the old gym. Once again, Hopkins Academy boys varsity team members helped coach these young people. We were very fortunate to have Fred Ciaglo (the Hopkins boys varsity coach) in charge this year. Kathy Pugliese from UMass coached the girl's team.

In February, children in grades K-6 enjoyed a gymnastics class on Saturdays for 6 weeks. They were able to use several pieces of gymnastics equipment such as the balance beam and vault, as well as perform floor activities on the mats. Two former UMass gymnasts were our head coaches assisted by students from Hopkins Academy. Due to a large enrollment of 55 children we had to break into 3 groups.

our annual Easter festivities were held in the Old gym in April. Approximately 100 girls and boys enjoyed games and goodies. A popular feature was our Easter egg coloring event. The Easter bunny came and awarded prizes and candy.

In May, we introduced a new program, T-ball for children in pre-school through 1st grade. Parents of these youngsters coached and cheered them on to a season of fun and excitement. For most, this was their first experience with the baseball and they loved it!

During May and June and through the month of September our

Department is also in charge of maintaining the Lassie and Little League ball fields. Ignace Waskiewicz is in charge of the mowing and liming as well as general maintenance of these fields and as always did a fine job for us.

The tennis court at Zatyрка field is maintained by us and continues to be well used.

We were able, this year, to install new soccer goals at Hooker School and repair the old basketball hoops. We're happy to hear how much the students are enjoying this equipment.

In closing, we are very excited that enrollments in all our programs have increased. We will continue to do our best to keep the old gym open and to offer as many recreational opportunities to the citizens of Hadley as possible.

Respectfully submitted,

Joanne Waskiewicz

To: The Honorable Selectmen, Town of Hadley

From: Carl Caivano, Chairman, Hadley Arts Council

In 1988, the Hadley Arts Council met twice in open session to consider applications for Massachusetts Arts Lottery Funds. On March 14th, we met at Town Hall and voted to award \$461. to the Porter-Phelps Huntington Foundation for their Wednesday Folk Traditions Series, \$300 to East Street Dance Series for their Contemporary Dance Series, and \$250 in Performing Arts Student Series Funds to Susan Anzalotti to bring students to a performance of the Springfield Symphony Orchestra. Barbra Wilson, Karen England, and Kathleen Lugosh were voted in as new members.

On September 26, 1988, we met at Town Hall and voted to award: \$250. to Lebbi Friedlander for two concerts for Young People to be held in the Elementary Schools, \$250. to the Robin Zust Marionettes for a performance at Goodwin Memorial Library, \$50 to Porter-Phelps Huntington Foundation for their annual fourth graders tour of the museum, \$160 to the Porter Phelps Huntington Foundation for a free day of tours for Hadley Residents, Performing Arts Student Series Funds were awarded to: Principal Janet Selavka for a performance of the Loon and Heron Theatre at Hopkins Academy, Ann Koski was awarded

\$31. to take Girl Scouts to the New England Puppetry Series, and Jane Booth was awarded \$20. to take Girl Scouts to "A Christmas Carol" at the University of Massachusetts. William McNaughten was voted in as a new member.

Report of the Hadley Historical Commission

To The Citizens of Hadley:

During 1988, the Historical Commission held 12 monthly meetings and 11 special meetings, and rendered an opinion on six site plan applications. The Commission continued its work on documenting the town's historic sites. The National Register Nomination for the center of town underwent its third review at the federal level and work was begun on the nomination of the Hockanum and North Hadley areas. One of the Commission's special meetings was held at the Hockanum School House where over 20 residents provided historical information about the area and its earlier residents.

The Commission corresponded with the Department of Environmental Management concerning the bikepath and its route across West Street and the town common and also about possible land acquisition in Hadley by the state. Support was given to the North Hadley Village Hall Committee and their efforts to obtain state funding to study the renovation of the Village Hall and a letter was also written in support of the Porter, Huntington, Phelps House Foundation and their efforts to seek state aid for an inventory of their estate.

Within the town, the Commission consulted with various

boards, including the Board of Selectmen concerning the Plainville Cemetery, the Highway Department concerning the Women's Temperance Union fountain in front of Town Hall, the building inspector concerning commercial signs on West Street, and the Housing Authority.

In the coming year the Commission will be sponsoring a program for the public on open space and preservation of existing structures; the Commission hopes to receive assistance from the University Of Massachusetts Department of Landscape and Architectural Design. In addition, the Commission applied for a \$17,000 grant from the Massachusetts Council on the Arts and Humanities to write a manual for the renovation and repair of historic homes.

Another grant application was made by the Historical Commission in partnership with the town of Hatfield and sponsored by the Pioneer Valley Planning Commission. Using the services of Gregory Farmer, both towns have applied for funds for a state archaeological review to locate and perhaps mark the palisades around each town. In looking towards the future, a member of the Commission serves on the town's Growth Management Committee to revise the town's zoning bylaws and three members of the Commission attended a state-wide workshop sponsored by Historic Massachusetts on "Zoning for Community Character".

TO THE HONORABLE BOARD OF SELECTMEN AND CITIZENS OF HADLEY:

I hereby submit my annual report as Animal Inspector of Hadley in the year 1988.

Throughout the year, I have inspected cattle bought in from out of state. Cattle entered Hadley from Vermont, Connecticut, New York, New Hampshire, and Canada.

I quaranteed four dogs for biting people. There were more dog bites during the year, but I was not contacted. This is one practice that must be changed. The state requires that I inspect dogs and people bitten by the dog.

On December 20,1988, I began my annual farm animal inspections and census. I found all the animals within town to be healthy and properly cared for. The official count is as follows:

Dairy Cows	990	Horses	257
Dairy Heifers	396	Ponies	16
Dairy Calves	444	Gcats	11
Dairy Bulls	17	Sheep	641
Dairy Steers	2	Swine	1,109
Beef Cows	48	Chickens	467
Beef Heifers	20	Ducks	31
Beef Calves	33	Geese	36
Beef Bulls	10	Rabbits	35
Beef Steers	22	Pigeons	113
Oxen	0	Doves	75
Miniature Horses	1	Peacocks	3

Respectfully submitted,

Marilyn Koehler, Animal Inspector

REPORT OF THE
AGRICULTURAL INCENTIVE AREA COMMITTEE

To the Citizens of Hadley:

Our Committee has spent the past year compiling data for Hadley's proposed Agricultural Incentive Area. It has been a trying time organizing information for various state and regional offices for the implementation of the Ag. Incentive Area.

We hope to satisfy all the necessary requirements requested by the state so that we may accomplish our objective in the coming year.

We would like to thank everyone who has helped us this past year, and we look forward to helping our town preserve its diminishing supply of farmland for future generations.

Respectfully submitted,

Edwin Matuszko

Peter Cook

Keneth Parsons

Gorden Smith

THE NORTH HADLEY VILLAGE HALL COMMITTEE

The committee has been very active over the past year in it's efforts to upgrade and preserve the historic beauty of this landmark town building.

All systems are now, "up to code" and the fire and smoke detection system is in good order. A, "Certificate Of Occupancy" was issued and assures the safety of everyone using the building. The committee now feels confident that we have a sound and viable structure, and can now pursue the much needed restoration.

It is the sincere desire of our committee, that all townspeople are aware of the availability of North Hadley Village Hall. All of Hadley's nonprofit youth groups are welcome at no charge. Other groups and private individuals may hold banquets, parties, meetings, etc. for a nominal fee.

The Committee is pleased to report that it received a \$14,875.00 grant from The Commonwealth Of Massachusetts Council On The Arts And Humanities. This is a, "Rural Design Assistance" grant, given to complete an engineering and feasibility study, examining the restoration and best possible uses for the building. It will also include a marketing study to assist us in utilizing The North Hadley Village Hall to it's utmost potential. At the completion of this study, we intend to pursue additional grant monies that will help defray the cost of the actual renovation and restoration work.

We are presently negotiating to purchase a new Kitchen Range and upgrade our upstairs to provide a first class

banquet facility. We hope that this will bolster it's use by additional groups.

Our committee believes that the use of the hall brings the people of Hadley closer together and inspires community spirit and unity. Please assist us, and encourage everyone to rediscover The North Hadley Village Hall for it's great variety of potential uses: A truly, "Community" Hall.

We hold our meetings in the hall, the first Monday of each month, at 8:00 PM, and invite everyone to attend.

Respectfully submitted,

The North Hadley Village Hall Committee:

Alexander F. Kulas - Chairman

Katherine M. Pipczynski - Secretary

Francis G. Duda - Custodian

James R. Russell - Custodian

Richard C. Holden

Frank P. Zabawa

NORTH HADLEY BRANCH LIBRARY REPORT

February 14, 1989

I herewith submit my yearly report for 1988 as librarian of the North Hadley Branch of the Goodwin Memorial Library. The library continues to be open five hours a week, from 3:00 to 5:30 on Tuesdays and Thursdays on the first floor of the North Hadley Village Hall. Miriam Pratt and Justina Kielec are the library staff.

There are books for all ages including 47 new books purchased this year, 22 for children and 25 for adults. We continue to offer nine magazines which are signed out like the books. Many good used books have been donated by local people, and we thank Florence Belz, Nellie Birstol, Anne Meier, Anne Scudder, Marie Ansaldo and Wilma Trueswell for them.

The Western Mass. Regional Bookmobile and Interlibrary Loan services based in Hatfield continue to serve us well, the Bookmobile bringing every six weeks a good selection of all types of reading materials from which we choose, and the Interlibrary Loan sends specially requested books from other libraries when not available from the Bookmobile.

The circulation this year was 2025, an increase of 82 over last year's figures.

A popular innovation for us this year was a Story Hour every Thursday in July, with volunteers Rev. Marilyn Holcomb of the North Hadley Congregational Church as storyteller, and Jean Baxter and Janet Barrett as craftspersons and providers with others of refreshments. Up to 24 children plus many parents thoroughly enjoyed the

event each week. We thank the three volunteers who were so generous of their time and talents.

It is hoped that the grade schools' new project of a special time set aside for book reading each day in school will encourage more children in the north end of town to make use of the books in the North Hadley Branch Library.

Respectfully submitted,

Miriam R. Pratt

GOODWIN MEMORIAL LIBRARY TRUSTEE REPORT

1986

To the Citizens of Hadley;

Goodwin Memorial Library celebrated it's 85th Anniversary on August 14, 1988. The building was opened to the public for the first time August , 1903, so we decided to have a celebration. There was a picnic on the front lawn, iced tea and a beautiful cake donated by the Friends of the Library, and the grand finale was a balloon launch. The balloon to reach the farthest belonged to Sarah it landed in Medfield, Massachusetts.

The townspeople elected a new member, Irene Benben to the board and an incumbent, Leslie Misy, who is also our Chairman. Welcome and congratulations to you both.

Do to the generous donation of the Hopkins Academy Trustees we have new materials for our Children's Resource Center. These include a cassette deck and record player with head sets for the children to use while at the Library. We also have an overhead screen and felt board for our popular story hours. Our sincere thanks to the Hopkins Academy Trustees.

A \$10,000. article was approved town meeting to correct our wet basement problem, by excavating the exterior perimeter of the Library on the east, south and west sides. The walls were reinforced with cement, waterprofed, the footings re-poured and drainage tile and pipe installed. Our thanks to an excellent job done by Karl's Excavating.

Mr. Frederick Wilda made and donated the beautiful Goodwin Memorial Library

sign, which sits on the lawn near Middle Street, and the parking signs. Thank you for a great job. We have purchased Robert Bateman art books, at his request.

For the second year the Board of Trustees agreed to allow the Hadley Pre-School to occupy the basement of the Library. Everything is going smoothly and the program is enjoyed by sixty youngsters throughout the week.

The Board of Trustees would like to thank all the volunteers, and the Friends of the Library, especially Susan Burckhardt, for their time and contributions.

We are always willing to listen to the townspeople's new ideas and suggestions. New books, hardcover and paperback, videos and audio cassettes are being purchased regularly. Stop by and borrow a book or two.

The Library Hours:

Monday thru Friday	10:00 am to 4:00 pm
Tuesday evenings	6:00 pm to 8:00 pm
Story Hour Fridays	10:00 am

Respectfully Submitted;

Leslie K. Mish, Chairman

Mary Kelley, Vice-Chairman

Goodwin Memorial Library

Hadley, Massachusetts 01035

(413) 584-7451

To the Citizens of Hadley

The library celebrated another eventful year during 1988. Our hours remained the same, 10:00 to 4:00 p.m. Monday - Friday, plus Tuesday evening 6:00 to 8:00 p.m. A total of 13,663 books, magazines, records, tapes and videos were circulated through 1988. That is an increase of 161. Favorite adult fictions during 88 were: The Shell Seekers by Rosamunde Pilcher, Pearls by Celia Brayfield, The Bonfire of the Vanities by Tom Wolfe, Glittering Images by Susan Howatch. Favorite adult non-fiction was Doctor at Large by Morris Gibson. The children this year chose series as their favorite reading, Choose Your Own Adventure and The Baby-Sitters Club were both popular.

We were able to add over 600 new books and records to our collection, which keeps us very competitive with the larger libraries surrounding us. The Western Massachusetts Regional Library helps to better our offering by providing books, records and videos every six weeks and movies weekly.

Friday is the highlight of the week - story hour at 10:00. Joining in the fun are twenty pre-schoolers. Weekly we have a movie, story and craft. Favorite movie - Happy Birthday Moon. Favorite craft - Red Sox caps. Favorite book - Five Minutes' Peace by Jill Murphy.

We observed National Library Week in April this year with Pull the Plug Week. The library was open each evening to encourage family reading. It was very successful, about 150 children spent the week without T.V. A pizza party was held at the end of the week.

The record breaking heat last summer didn't slow down events at the library. Weekly themes with movies and programs plus Summer Reading Club were enjoyed. Favorite themes - Olympic week and Fire Engine week.

Summer Read Club readers of the year:

Jeremy Thayer	71 books
Emily Jacque	49 books
Laura Jacque	46 books
Jessica Thayer	44 books
Rebecca Cook	36 books

I wish to thank the volunteers, both adult and children who contribute time and energy to make our library a place we are all proud of. I am especially grateful to Mrs. Lucille Bauver, Mrs. Celia Daniels and Maureen West. Thanks to the Friends Group headed by Sue Burkhardt, always willing to help when needed.

Respectfully submitted

Marilyn Mish
